ILLUMINATI Vowed in 1969: "Travel Will Be More Difficult"

August 15, 2020

Wake up, folks. The coronavirus is a hoax, a pretext for the radical undemocratic reorganization of society.

1969:

" Travel ... would become very restricted. People would need permission to travel and they would need a good reason to travel. If you didn't have a good reason for your travel you would not be allowed to travel, and everyone would need ID... later on, some sort of device would be developed to be implanted under the skin that would be coded specifically to identify the individual."

Updated from Nov 12, 2010

By Henry Makow Ph.D.

Like sheep, humanity had better adjust to constant harassment as long as it tolerates Illuminati control of all important government and social institutions.

On March 20, 1969, [Rockefeller Insider](#) Dr. Richard Day (1905-1989) gave a speech to the Pittsburgh division of the American Medical Association in which he predicted:

" Travel ... would become very restricted. People would need permission to travel

and they would need a good reason to travel. If you didn't have a good reason for your travel you would not be allowed to travel, and everyone would need ID... later on some sort of device would be developed to be implanted under the skin that would be coded specifically to identify the individual." (Tape two)

Although prohibited, Dr. Lawrence Dunegan made notes and related the contents of the speech to Randy Engel [who made them available on tape.](#)

Dr. Dunegan reveals not just "WHAT" is intended for America and all people in the world, but "HOW" the controllers intend to carry out their plan.

Dr. Day, left, said -- "Everything is in place and nobody can stop us now . . ."

"Some of you will think I'm talking about Communism. Well, what I'm talking about is much bigger than Communism!" "Everything has two purposes. One is the ostensible purpose which will make it acceptable to people; and second, is the real purpose which would further the goals of establishing the new system and having it."

NEW DIFFICULT-TO-DIAGNOSE AND UNTREATABLE DISEASES

"Next heading to talk about is HEALTH & DISEASE. He said there would be new diseases to appear which had not ever been seen before. Would be very difficult to diagnose and be untreatable -- at least for a long time."

No elaboration was made on this, but I remember, not long after hearing this presentation, when I had a puzzling diagnosis to make, I would be wondering,

"Is this ... was what he was talking about? Is this a case of what he was talking about?". Some years later, as AIDS ultimately developed, I think AIDS was at least one example of what he was talking about. I now think that AIDS probably was a manufactured disease."

Day also covered topics such as:

People will have to get used to change - everything will change, constantly

The REAL and the "STATED" goals

Population Control

Permission to have babies

Redirecting the purpose of sex - sex without reproduction and reproduction without sex

Sex education as a tool of World Government

Encouraging homosexuality... Sex, anything goes

Euthanasia and the "Demise Pill"

Limiting access to affordable medical care makes eliminating the elderly easier

Planning the control over medicine

Elimination of private doctors

Suppressing cancer cures as a means of population control.

Inducing heart attacks as a form of assassination

Education as a tool for accelerating the onset of puberty and pushing evolution and

MUCH, MUCH MORE

DENIAL

As long as the masses refuse to acknowledge the Illuminati conspiracy, they will continue to be complicit in their own destruction.

For the last six months (in 2010), we have been bombarded with propaganda about the Swine Flu. Millions have been vaccinated. Billions of profits have been made. These vaccines might have been harmless. Who knows about the next? What we do know is that, generally speaking, Swine Flu proved to be less dangerous than seasonal flu.

Then, recently for over a week, we were bombarded with hysteria about weather change (aka "climate change.") The Club of Rome concocted this bogeyman back in

the 1980s.

We must regard official society as a brainwashing chamber where we are being subjected to trauma-based mind control. Other traumatic events from the last decade include 9-11, the Tsunami, Hurricane Katerina, the great Northeastern power black-outs, the financial meltdown, and the wars in Iraq and Afghanistan.

It's been a good decade for the Illuminati. Society is far more fearful and pessimistic, far more willing to accept totalitarian control.

THE KEY TO OUR EXASPERATION

In the *Protocols of the Elders of Zion*, the author writes that their goal is: "To wear everyone out by dissensions, animosities, feuds, famine, inoculation of diseases, want, until the Gentiles sees no other way of escape except by appeal to our money and our power." (*Protocol 10*)

"We will so wear out and exhaust the Gentiles by all this that they will be compelled to offer us an international authority, which by its position will enable us to absorb without disturbance all the governmental forces of the world and thus form a super-government." (*Protocol 5*)

Harold Rosenthal who was a member of this cabal boasted that they even implanted a "guilt complex" over the holocaust and anti-Semitism that prevents society from addressing the threat.

Through control of banking, they acquired a total monopoly of "the movie industry, the radio networks and the newly developing television media...we took over the publication of all school materials... Even your music! We censor the songs released for publication long before they reach the publishers...we will have complete control of your thinking."

We "have put issue upon issue to the American people. Then we promote both sides of the issue as confusion reigns. With their eyes fixed on the issues, they fail to see who is behind every scene. We, Jews, toy with the American public as a cat toys with a mouse."

It would be great if the problem could be confined to "Jews" but literally everyone who advances the New World Order agenda wittingly or unwittingly is implicated, and that is, millions of people, i.e. the "Establishment."

SOCIETY OF SHILLS

The Illuminati central banking cartel controls government credit, media, banking,

corporations, education, professional associations, justice, military ..you name it. They use Freemasonry as their instrument. Recently, I posted an article about how they [control the US Black community](#) using the Masonic "Boule." The same principle applies everywhere.

Society operates on two rails. The formal--the image of a democracy ruled by law that dupes the masses and ensures their cooperation. The informal-- the Illuminati club, which actually makes the decisions regardless of what's happening on the formal level. The informal infiltrates the formal until the latter is merely a mask for the former.

Want to succeed? Join the club of secret Satan worshippers. That's what Barack Obama did.

In a post May 29, 2009, Emily Gyde, an Illuminati defector who claims to be the real author of the Harry Potter series, says Obama told her this:

"I remember PRESIDENT OBAMA talking to me about how he had joined the ILL CULT - he didn't want to - but he described himself as just an ordinary guy who wanted to take a wage packet home...that is how it was...he didn't want to end up on the streets...at the end of the day, it was all about money...you had to have it to live...if he hadn't joined the ILL CULT...he would have been disbarred...he wouldn't have got a job...wouldn't have been able to live...that's how a lot of people get conned into joining the ILL. You are young, you want to prove yourself in life - you are told that you will 'never get a job' if you don't...the ILL prove how powerful they are."

CONCLUSION

When I was a sixties radical, we used to think people who worked for the Establishment had sold their souls to the devil. I didn't imagine it was literally true, as the Illuminati are Satan worshippers, so you're unwittingly working for his disciples.

The world has been colonized by this Satanic cult. What we are experiencing, while trying to maintain some civilized traditions over Christmas, is their relentless attempt to induct us into their cult as mind-controlled servants.

Thanks to JP for the reminder!

Dr. John Coleman, November 1991

From the Book ... What are the goals of the secret elite group, the inheritors of Illuminism (Moriah Conquering Wind), the Cult of Dionysius, the Cult of Isis, Catharism, Bogomilism? This elite group that also calls itself the OLYMPIANS (they truly believe they are equal in power and stature to the legendary gods of Olympus, who have, like Lucifer their god, set themselves above our true God) absolutely believe they have been charged with implementing the following by divine right:

- (1) A-One World Government-New World Order with a unified church and monetary system under their direction. Not many people are aware that the One World Government began setting up its "church" in the 1920's/1930s, for they realized the need for a religious belief inherent in mankind to have an outlet and, therefore, set up a "church" body to channel that belief in the direction they desired.
- (2) The utter destruction of all national identity and national pride.
- (3) The destruction of religion and more especially the Christian religion, with the one exception, their own creation mentioned above.
- (4) Control of each and every person through means of mind control and what Brzezinski call "Technotronic" which would create human-like robots and a system of terror beside which Felix Dzerzinski's Red Terror will look like children at play.
- (5) An end to all industrialization and the production of nuclear-generated electric power in what they call "the post-industrial zero-growth society." Exempted are the computer and service industries. United States industries that remain will be exported to countries such as Mexico where abundant slave labor is available. Unemployables in the wake of industrial destruction will either become opium-heroin and or cocaine addicts or become statistics in the elimination process we know today as Global 2000.
- (6) Legalization of drugs and pornography.
- (7) Depopulation of large cities according to the trial run carried out by the Pol Pot regime in Cambodia. It is interesting to note that Pol Pot's genocidal plans were drawn up here in the United States by one of the Club of Rome's research foundations. It is also interesting that the Committee is presently seeking to reinstate the Pol Pot butchers in Cambodia.
- (8) Suppression of all scientific development except for those deemed beneficial by the Committee. Especially targeted is nuclear energy for peaceful purposes. Particularly hated are the fusion experiments presently being scorned and ridiculed by the Committee and its jackals of the press. The development of the fusion torch would blow the Committee's conception of "limited natural resources" right out of the window. A fusion torch properly used could create unlimited untapped natural resources from the most ordinary substances. Fusion torch uses are legion and would benefit mankind in a manner that is as yet not even remotely comprehended by the public.
- (9) Cause by means of limited wars in the advanced countries, and by means of starvation and diseases in Third World countries, the death of 3 billion people by the year 2000, people they call "useless eaters." The Committee of 300 commissioned Cyrus Vance to write a paper on this subject of how best to bring about such genocide. The paper was produced under the title the "Global 2000 Report" and was accepted and approved for

action by President Carter, for and on behalf of the U.S. Government, and accepted by Edwin Muskie, then Secretary of State. Under the terms of the Global 2000 Report, the population of the United States is to be reduced by 100 million by the year 2050.

(10)To weaken the moral fiber of the nation and to demoralize workers in the labor class by creating mass unemployment. As jobs dwindle due to the post-industrial zero growth policies introduced by the Club of Rome, demoralized and discouraged workers will resort to alcohol and drugs. The youth of the land will be encouraged by means of rock music and drugs to rebel against the status quo, thus undermining and eventually destroying the family unit. In this regard The Committee of 300 commissioned Tavistock Institute to prepare a blueprint as to how this could be achieved. Tavistock directed Stanford Research to undertake the work under the direction of Professor Willis Harmon. This work later became known as "The Aquarian Conspiracy."

(11)To keep people everywhere from deciding their own destinies by means of one created crisis after another and then "managing" such crises. This will confuse and demoralize the population to the extent where faced with too many choices, apathy on a massive scale will result. In the case of the United States, an agency for crisis management is already in place. It is called the Federal Emergency Management Agency (FEMA), whose existence I first disclosed in 1980. There will be more on FEMA as we proceed.

(12)To introduce new cults and continue to boost those already functioning which includes rock "music" gangsters such as the filthy, degenerate Mick Jagger's "Rolling Stones" (a gangster group much favored by European Black Nobility) and all of the Tavistock-created "rock" groups which began with "The Beatles." To continue to build up the cult of Christian fundamentalism begun by the British East India Company's servant, Darby, which will be misused to strengthen the Zionist state of Israel through identifying with the Jews through the myth of "God's Chosen People" and by donating very substantial amounts of money to what they mistakenly believe is a religious cause in the furtherance of Christianity.

(14)To press for the spread of religious cults such as the Moslem Brotherhood, Moslem fundamentalism, the Sikhs, and to carry out experiments of the Jim Jones and "Son of Sam" type of murders. It is worth noting that the late Ayatollah Khomeini was a creation of British Intelligence Military Intelligence Division 6, commonly known as M16, as I reported in my 1985 work, "What Really Happened In Iran."

(15)To export "religious liberation" ideas around the world so as to undermine all existing religions but more especially the Christian religion. This began with "Jesuit Liberation Theology" which brought about the downfall of the Somoza family rule in Nicaragua and which is today destroying EI Salvador, now 25 years into a "civil war," Costa Rica and Honduras. One very active entity engaged in so-called liberation theology is the Communist oriented Mary Knoll Mission. This accounts for the extensive media attention to the murder of four of Mary Knoll's so-called nuns in EI Salvador a few years ago. The four nuns were Communist subversive agents and their activities were widely documented by the government of EI Salvador. The United States press and news media refused to give any space or coverage to the mass of documentation in possession of the Salvadorian government, documentation which proves what the Mary Knoll Mission nuns were doing in the country. Mary Knoll is in service in many countries and played a leading role in bringing Communism to Rhodesia, Mozambique, Angola and South Africa.

(16)To cause a total collapse of the world's economies and engender total political chaos.

(17)To take control of all Foreign and domestic policies of the United States.

(18)To give the fullest support to supranational institutions such as the United Nations (UN), the International Monetary Fund (IMF), the Bank of International Settlements (BIS), the World Court and, as far as possible, make local institutions of lesser effect by gradually phasing them out or bringing them under the mantle of the United Nations.

(19)Penetrate and subvert all governments, and work from within them to destroy the sovereign integrity of nations represented by them.

(20) Organize a world-wide terrorist apparatus and negotiate with terrorists whenever terrorist activities take place. It will be recalled that it was Bettino Craxi who persuaded the Italian and U.S. governments to negotiate with the Red Brigades kidnapers of Prime Minister Moro and General Dozier. As an aside, General Dozier is under orders not to talk about what happened to him. Should he break that silence, he will no doubt be made "a horrible example of" in the manner in which Kissinger dealt with Aldo Moro, Ali Bhutto and General Zia ul Haq.

(21) Take control of education in America with the intent and purpose of utterly and completely destroying it. Much of these goals, which I first enumerated in 1969, have since been achieved or are well on their way to being achieved. Of special interest in the Committee of 300 program is the core of their economic policy, which is largely based on the teachings of Malthus, the son of an English country parson who was pushed to prominence by the British East India Company upon which the Committee of 300 is modeled.

I couldn't remember DR. Dunnegan's article re Dr. Day. I recalled reading this article several years ago and couldn't remember names. But the gist of that article was a coming medical dictatorship. Now we're here.

AC said (August 16, 2020):

Dr Day's prediction has now been realized in Australia. State Borders are still closed. Both Team Red and Team Blue Governments are enforcing these closures. Scott Morrison just sits back and let's all this happen.

What seemed normal for people like only 12 months ago is now all a Criminal Offence. For example.

* 2 teenage girls arrested because they took a trip to Melbourne and then to Sydney before returning to QLD.

* A man arrested because he wanted to fly from Melbourne to Adelaide.

*SA Government closing border to Victoria.

* NSW Government telling Melbournians not to travel to NSW. Banning them from traveling.

QLD Government banning people from Sydney from going to QLD.

QLD setting up checkpoints to allow or turn people away.

The list goes on and on.

David said (November 14, 2010):

What happens when the TSA protocols at the airports spread to the train station and bus stops? Will there be Youtube videos but no active resistance as is happening now. Nip it in the bud....is an old American way of dealing with nonsense. Now, there is unhindered progression towards total control and martial law. It seems that the Protocols of Zion are being implemented before our eyes. Under S 510, a license will be needed to grow and consume the produce of backyard gardens. So, we will be stuck with GMOs. Did you know that the retail industry in the US is controlled by Jews? So, we must bow to their money and power. But, if there is an economic crash, the New York Times makes for better toilet paper than fiat notes! So, money is not enough. Precious metals are not enough.

Orest said (November 13, 2010):

We middle class folk are white rats in the grand Illuminati laboratory, acculturated to be seeking wealth, power, position, prestige, to be goal-oriented, to worship at the altar of the bitch-goddess of success, to nurture our careers more than our children, to take a fatuous pride in our achievements.

To that end, we are prepared to leap through hoops. Now and again, to measure our craven servility, the Illuminati grand masters will raise the bar and add fresh features to the obstacle course that is the rat race. The metaphorical hoops will be set alight and the Illuminati delight to see their proverbial happy slaves, their robotic servants leap through the fiery hoops and come away singed and frazzled.

The ancient Greeks and Romans used to say that if you went to some deserted spot and stayed quiet, all the while listening carefully, you could hear the gods laughing at the pathetic antics on our human ant-farm.

Were we to, in fact, update that myth to coincide with contemporary reality, the "gods" of old would be our Illuminati grand masters of today, as they watch weary travelers submit to the degrading airport "security" pat downs, with lewdness in public suddenly becoming a hum-ho norm.

WJR said (January 1, 2010):

Every time the Illuminati squeezes, the "backbone" of America stands a little taller. I know it sounds corny. Not Tea Party idealism. America's backbone does not run along Party, ethnic, religious, nationalistic, racial, gender, or economic lines. You've either got a backbone for freedom, or you don't. Americans take their freedom and Constitution and the rule of law seriously, even if the "Illuminati" doesn't. We were told we were free, and by god, we're holding them to it. Over the years Americans have been stockpiling weapons and ammo and nursing a nameless grudge. Deep down, we know we've been cheated, and Americans detest a cheater. Some, maybe most, are too willing to accept totalitarian control. Many -- the ones who count -- will not. EVER. I have no illusions about American history. Not the bedtime story we were told in school. But, it's gotten us this far, and all we've got. If forced, I won't be fighting for what America was, or has become, but for what America could have been, and can be. Tens of millions of Americans -- 100 million, more -- are informed, armed, and prepared to defend what's theirs. It is up to the individual to decide when the line's been crossed. My advice to bystanders, rubber-neckers, troublemakers, nay-sayers, Mr. Citizen Goldbrick, to "extremists" right, left and middle, to fence-sitters, rogue cops, career criminals, foreign mercenaries, UN troops, illegal aliens and real, imagined or simulated space invaders: You all look alike at 100 yards. If you want trouble, you've come to the right place. We're easy to find. Just look for the rockets red glare with bombs bursting in air.

Don't count us out just yet. Now might be a good time to recall that bucking the system and rooting for the underdog are traditional American values. Woof, woof. Have a safe and peaceful New Year.

Wayne Madsen has pointed out that Schipol airport in Amsterdam has its security run by an Israeli company. University College London is only a few hundred yards away from the Tavistock Clinic, where mind control techniques were developed decades ago. The calmness shown while he was on fire strongly suggests that the bomber was under such control.

The bus which exploded in London on what is now called 7/7 (when the London Underground was attacked) was in Tavistock Square at the time. It is thought by some to have been a blood sacrifice.

I hope you enjoyed your short(too short?) break! Glad your first article regards this Nigerian (Terrorist !!??) traveler. I have been telling family and friends for years regarding the means by which "they" will slowly gain TOTAL control! They all fobbed me off as a Nutter :-D . Now THEY are telling me the WORLD is getting crazy. More and more people/family are slowly starting to realize what I have been telling them might NOT be so NUTTY!! You will no doubt be seeing more and more people visiting your site! Sorry, my fault :-) !

PS I thank you too for the Enlightenment re Feminism! The saying "Seek the Truth, for it shall set you FREE" is 100% correct!! THANK YOU. THANK YOU. THANK YOU!!

Dan said (December 29, 2009):

What's up with those pesky terrorists these days? All that fuss in 2001 and they've been dumber than the Three Stooges ever since. Seriously though, I hope more people have figured out that the 'attacks' are pre-scripted publicity stunts. Just listening to the next new 'measures' announced the next day. For this one it's 'full body scans' for passengers at airports. Hundreds of millions of dollars to install the new equipment for that already manufactured and ready to go.

As you say airport security measures are already adequate to foil any attempt to blow up or hijack a plane. As the 1969 Rockefeller document indicates restricting travel for a public that considered it a right had to be imposed gradually. It's been a long process to go from "will it be smoking or non-smoking sir?" to "step aside and removed your shoes and belt and empty your pockets". They have everyone's ID at the ticket counter, so the purpose is intimidation. What the people will put up with in an airport can and will be imposed upon any aspect of individual transaction.

Back in 2002, some of us warned people to consider such 'measures' weren't taken during the 'Cold War' or World War Two. Only Communist and Fascist dictatorships had armed uniformed checkpoints demanding 'papers' and body searches of civilians. We've already had these restrictions becoming more Draconian every year since 2001 (actually this process did begin by the early 70's. Remember the 'Cuban hijackers' news stories starting in 1969? That was predictive programming, both to plant the seed of the idea of dangerous bogey men and to wait and see how the public would react to media articles suggesting 'we need more security!').

The public has been far too slow to seriously call the bluff - because too many people believed the bluff back in 2001. We all remember those people don't we? At work or friends who insisted we were paranoid - 'security' in the form of suspension of due process and privacy applied only to 'rag head' (Muslims), so they assumed. Well, to 'assume' is to make an 'ass' of 'u' and 'me'. Because of that bamboozle there could be no organized consensus of public outrage at what they were planning to pull, so they got away with it and they're on a roll.

It's not the same world as it was back in 2001, so I hope people who were all for these changes back then have wised up. If they have, I suggest they might come forward and say 'enough!' whenever air travel begins to seem intimidating and offensive to them personally. Sooner or later we're going to have to support each other, or we'll all end up being told to 'step out of line' in public places and the cowed crowd will pretend not to notice.
