OUR PLACE IN TIME
WHAT HAVE WE BECOME ?
HAVE THE CONSEQUENCES OF OUR CHOICES GIVEN US A FANTASY REALITY ?
where are we going ?

The discretionary act of "CHOICE" seems to be under attack from the 'CANCELLATION CULT',
and from those whose DARK AGENDAS need to be hidden from THE TRUTH.

"For nothing is secret, that shall not be made manifest; neither *any thing* hid, that shall not be known and come abroad."
Luke 8:17 King James Version (KJV)

For example, 911 became an event so confronting, that many of us finally woke up to the realization that
something was definitely not right in our world.

It was, in that moment, that we came to the realization of our first conscious decision to employ
the RED PILL / BLUE PILL CHOICE CRITERIA IN OUR SEARCH FOR THE TRUTH IN OUR CHOICE.

The BLUE PILL PROCRASTINATORS accepted the prepared narrative of the enablers of the
deaths of over 3,000 innocents.
They rolled back over into dreamland and continued with whatever they wanted to dream.

The RED PILL RESPONDERS started questioning the narrative,
and many TRUTH MOVEMENTS were activated at this time.
They focused their questions on THE TRUTH OF THE MATTER, finally debunking the
official prepared narrative, shining a clear light, exposing the whole event to be
a CONSPIRACY.... AN INSIDE JOB.....

YOURS IS NOT JUST A RIGHT TO CHOOSE - YOUR CHOICE MUST CONSCIOUSLY SEEK
'THE TRUTH IN THE CHOICE'.

Thank God that our (RED PILL) RIGHT TO CHOOSE
has not yet been abdicated through (BLUE PILL) ACQUIESCENCE

WE NEED TO DEBATE THIS INTO AN OPEN HONEST EXPOSITION OF THE TRUTH.
WE DO NEED NOT TO ARRIVE AT A CONSENSUS,
WHERE ONLY AGREED CONCERNS ARE A CRITERIA OF VALIDITY.
CONSENSUS IS BLUE PILL,
(AND QUARANTINES THE TRUTH). AS NOT ALL CAN AGREE ON DIFFERENT TRUTHS.

Totalitarian regimes maintain and hold their power through POLITICAL CORRECTNESS,
ALLOWING ONLY 1 (CLAYTONS) CHOICE..WHICH EQUALS NO CHOICE. (= BONDAGE TO THE PARTY LINE)

To understand a Way Out, we have no choice but to understand where we are "NOW."

Let me introduce you to the "spiritual ghetto," the dark end of eternity's street.

This is simply the world you and I were born into, the "testing ground."

Perhaps the place the Programmer sorts out the parts He would like to keep most

The following pages contain **THE CONSEQUENCES NOW** ! of what millennia of choices have accumulated.

User friendly ,soft option choices have allowed the truth to be overwhelmed by the lie in people's minds.

Our casualties have become our Humanity , our World and our Children's Future. All hangs on a knife edge.

We can choose our way out of many of the previous consequences by prayer for Understanding, Discernment and Wisdom.
Prayer changes things !

OUR PLACE IN TIME

WHAT HAVE WE BECOME ?

HAVE THE CONSEQUENCES OF OUR CHOICES GIVEN US A FANTASY REALITY ?

where are we going ?

THE LIE WE LIVE.....(WITH) .

<https://www.youtube.com/watch?v=dNVZ0ZPfE8s&t=30s>

Over millennia, **THE LIE** has grown around us by accretion, (like a pearl of great price) in an oyster.

**Indeed we have grown so comfortable living with the lie,
that we now worship THE LIE making it in our minds to be The Truth.
(any lie will do !)**

We have surrounded our lives with comfort zones and distractions, **blocking reality from our view.**
We are easy pickins' for those who would exploit our **FEAR - BASED** responses with their manipulations.

(False Evidence Appears Real)

Right now you could be anywhere, doing anything, instead you sit alone before a screen.

So what's stopping you doing what you need to do, being where you need to be,

"becoming who you were created to become"

**Each day we relive "Groundhog Day", waking up in the same room, and follow the same path, and live
out the same day as yesterday.**

Yet in another time, each day was a new adventure.

Gradually, at some time along the way , things began to change.

Before our days were naturally timed, now they are scheduled.

Is this what being grown up means. Are we really free ?

We are beneficiaries from our Great Creator of the land, food and water. these are the very elements that we need to survive and prosper, they are a gift from our Creator, usurped by the sophisticated lies of our manipulators.

But alas! These gifts from God are now controlled and owned by Corporations.

We don't pick fruit from trees like our ancestors did; you don't have free access to land to build a home for a family.,
or have fresh water streams to drink from.

Claiming and taking what the earth gives forth, (originally yours for the taking), **will see you locked away.**

Beaten down in the spirit, you obey their rules, and you find the world in a book, or on the internet.

Trained to regurgitate all that you are told, monitored and evaluated like subjects in a research
experiment, encouraged not to make a significant difference in your world,
raised to be no different.. Smart enough to do your job. **but not to question why you do it!**

Working and working, earning a living seems to cost you the very time for life that you work so hard for.

Then, finally time runs out and you are elderly, you are now classified as too aged to do your work.

**Even though you still see yourself as unique - authentic, you inevitably become road kill on the very
highway of a meaningful life, and your offspring replace you in the game.**

**You may still function well physically, emotionally and intellectually ; but, inevitably you become fuel for the
machine, fuel that powers the Elite.**

These elites are those elevated manipulators whose identity is seen in the logos of the corporate world.

They have stolen this world - your world !

Their most prized resources are not those extracted from the ground.

It is you, and all the other persons. — (the people!)

You fill their human farms, run their machines, even fight their conflicts for them, at home and abroad

You are their most important resource , you are their slave ...(if you like)....

In earlier history, slavery required the owner to provide housing and access to food to retain slaves servitude...

And you were then - CALLED SLAVES

Modern slavery has been re-structured to require that the slaves provide their own food and shelter...

As such, the modern form is a more subtle servitude, enforced by your own addiction to fear, security, money and
and mind control. **And you are now CALLED - HUMAN RESOURCES**

There are no cells, gates or fences, only those erected in your mind by acceding to their power...

OUR PLACE IN TIME
WHAT HAVE WE BECOME,?
HAVE THE CONSEQUENCES OF OUR CHOICES GIVEN US A FANTASY REALITY ?
where are we going ?

A lying world is a world run by fantasy, and serving fantasies, making up our world view is our currency, our ticket to ride.

WE RIDE BECAUSE WE ARE TOLD THAT IT IS REALITY

[LINK TO TOMORROWLAND AS EXAMPLE](#)

For over 5,000 years it was funny to think that the earth was the centre of the universe.

Now we see ourselves as the centre of the planet.

Our technologies and sciences tell us we are the smartest?

We ride that fantasy because we're told that it is reality.

But our technical aids, computers, factories and cars do not really illustrate the quality of our intelligence...more our claiming of these "smarts" shows how susceptible we are to the promise of living a fantasy. But they do show how comfortable we've become with a lazier way of life, everything at our fingertips, living room couch entertainment on call.

[LINK TO TOTAL RECALL VIDEO](#)

Our acquired persona is a nouveaux-civilized mark which allows us to claim a new found sophistication in our identity.

When all of this pretense is peeled away and exposedWhat reality are we left with?

We act as if we are all knowing beings, but many of us cannot recollect recent history over the last hundred years or so. During that time suffragettes were given the vote and blacks were allowed to live as equals. So there is much that many fail to see and the historical significance of many of these events... From these events many misinterpret their significance and use them as their war cry for their subjective personal-political agendas.

We walk down the street ignoring the little things, the eyes who stare—the stories they share.

Seeing everything as a background to **me** !

Perhaps we feel we are not alone! - that we are part of a much bigger picture!

We often seem to fail to find the context, or make the connection to the real or moral world;

Our killing habits portray us as ok to kill strangers on overseas shores, and we're ok killing chickens, cows and pigs,

But we draw the line at those entities in our lives that we love....our dogs, cats and neighbours,

Maybe closeness, love and understanding draws the line for us.

We call lesser creatures stupid, to justify our intent, but does killing because we always have, or we can, make it right.

So, continuing to act out of primal aggression could show how little we've learned

other than thought and compulsion....

There comes a day when this life on earth ends and our soul and spirit leave here.

Into the ground, our mortal remains will decay and our life and valuables will be shared among those left behind.

Our life choices and their consequences will remain as memories for those still living here.

We are constantly confronted with the reality of death, still it's reality seems dissociated from our day to day reality.

The strongmen of tomorrow's wars will claim victory, so they can write their own history for future scholars.

These fabricated claims will colour the reality of their present, and give some initiatives for controlling events and outcomes in the future. (to those who would dare to make the world into their own reality).

However, the wars of tomorrow will have no long term winners, for violence will never be the answer.

It will destroy all possible solutions.

Some introspection is now needed for us all to look at our inner most desires ,

and there we will find that our dreams are not so different from others.

We all seem to share a common goal, a striving for happiness... for achieving ease of physical function ... the epitome of fulfillment in a physical world... Happiness is the nearest you can come to joy in this dimension, for joy is of the eternal, (constant bliss).

We tend to rip the world apart looking for joy without ever looking within ourselves to find that one note melody....

Many of the happiest people, not cluttered by the worlds demands, are the ones that own the least!

So are we really so happy with all our distractions, our i-phones. Fancy cars and big homes?

WE HAVE BEEN DISCONNECTED - IDOLIZING PEOPLE WE'VE NEVER MET !

Our screens hypnotize us with the **extraordinary**, but everywhere else we find the **ordinary**!

We wait for someone else to bring change, without looking to bring change in ourselves. Ballots are like the great Aussie Game of two up... Two sides of the same coin. As we choose which face we want the illusion of choice is created.

WHAT HAVE WE BECOME,?
HAVE THE CONSEQUENCES OF OUR CHOICES GIVEN US A FANTASY REALITY ?
where are we going ?

It is not wealth that drives them - **it is power !....**
 Their contribution ? Worthless counterfeit pieces of paper,
 We depend on these bribes, to buy our acquiescence, so that we might clothe and feed ourselves
 and families, to move us and entertain us...
 They bribed us with this fakery, and we gave them everything in return, even the world.

“ Where our air was naturally clean, the trees (the atmospheric filters) were felled and our air became contaminated with
 pollutants from the industrial machines that poisoned it..... and us!
 Instead of pure water to drink from sources filtered by nature, we now have toxic waste that smells of death.....
 Free roaming animals that used to graze freely, are now contained in ‘factory farms’,
 Where they are continually slaughtered for our satisfaction.....
 Billions of people go without food, even though we produce enough for alland then some.....
 Who does it all go to? 70% of all the crops we grow is consumed by the animals, with which we have been conditioned,
 by our manipulators, to devour at our dining tables ”

WHY HELP THE UNDERNOURISHED.... ? THERE’S NO PROFIT IN THAT.....!

We have become the ravenous locusts stripping the earth—tearing down our environment - our only life support system.
 We see everything as to be used, bought and sold , as something to be owned as our right...
 (in our minds are we the entitled generation?)
 There is coming, soon a time, when the last streams and rivers have been polluted, and the last gasp of polluted air will be
 breathed....
 What happens then ? What happens when the last fuel for transport and freight movers is used up and can’t distribute our
 food and provide essential services. ?
 Will we finally realize that our pretend money can’t be eaten. That it is a valueless piece of paper ?

WE AREN’T DESTROYING NATURE OR THE PLANET
WE ARE DESTROYING ALL LIFE ON IT.

The annual extinction rate of species on the planet is in the thousands ,
 And it looks like we could be next, as time seems to be running out !

Being alive today there’s a 40-50% chance that you will be visited by cancer...
 and heart disease is likely to take out 1 - 2 in every 3 of us.

We collectively believe that taking prescription drugs will deal with these problems....

**However medical care (death by doctor) comes in at No 3 as a leading cause of death after cancer
 and heart disease.**

**The common misconception in this Scientism era is that everything will be sorted out if we just keep
 throwing money at scientists and so called experts, so their research will come up with magic pills that will
 solve all our problems... the re-cognized side-effects from these scientific magic spells will move the
 “demon” to another part of our bodies to keep us unwell, requiring newly created avenues for on-going
 treatments and increased secured revenues.**

On-going suffering ensures higher profits for the pharmakea and cancer societies and they rely on it.

WE THINK WE’RE RUNNING FOR A CURE - BUT IN REALITY WE’RE RUNNING AWAY FROM THE CAUSE.

“ What we eat today walks and talks tomorrow ”

We become the product of what we consume...and our current food supply sources are designed to engineer profits.
 THE CONTENTS AND INGREDIENTS ARE FILLED WITH TOXIC ADDITIVES, AND ANIMAL BODY PARTS, (OFTEN HUMAN),
 PHARMACEUTICALS AND DISEASES.

BUT WE ARE BLINDSIDED TO THIS BY A CONTROLLING SMALL GROUP OF CORPORATIONS THAT OWN AND CONTROL THE MEDIA,
 FINANCE & THE MEDIA, AND THEY DON’T WANT US TO SEE THIS...

WHAT HAVE WE BECOME ?
HAVE THE CONSEQUENCES OF OUR CHOICES GIVEN US A FANTASY REALITY ?
where are we going ?

It was at our conception that we made the **CHOICE** that our Maker has tried to undo with incredible care, patience and self-sacrifice.

You see, it was the first of our kind that invited in the virus (of death) that is this present darkness; turning our cradle into this quarantine.

What greater love could a Father have than to allow His own cancer so that His children could have
The Choice?

Thus, we live in the place where God is not. The program, once perfect, is now infected. It is a hollow shell, dying a piece at a time, where the Creator once was.

Most things here will never escape.
Worse still, there comes an hour on the horizon when this hollow cancer, and everything confined inside of it, will be herded into an even smaller cage.
In that cage, those who were not pulled from this place by, connection to their Creator, will be as spiritual infants in the unfriendly claws of ancient things; pleasure puppets for condemned beasts.
Make no mistake, you have been born into a very hostile and dangerous place...

Alone, you are nothing.
Yet, in connection with our Father,
we are backed by the POWER of EVERYTHING.
That is your purpose here.
You are not meant to be slaves, but sons and daughters of the Most High.

You are in this system, but you are not of it.

Your soul is like a portal that wants to connect to the place it calls home.
The mechanics of the soul are such an amazingly awesome thing.
This details why you are able to connect with God; and, greater still, what you really are? The Real You.
However, it is sufficient for now that you simply understand that you are not a ghost, goblin or magical wind. ..
You are eternal !
Eternity is your birthright.
Trust me, you are much, much more than you appear.

To understand God, you start with the question: "What is man?"
This is the second most important question that you and I will ever find an answer to.
And, if you cannot accept the answer to the second most important question, then the first (who is God?) becomes completely irrelevant.
Today, many of you are willing to embrace whatever story you like best at the expense of the Truth.
As human beings you attempt to decide friendly answers to the questions that frighten you the most.
You develop all of the supporting evidence that is minimally required to get the outcome you like best.

Basically, you are then willing to tell lies to yourselves ! (Continued)

**Thus, your soul and your flesh are both struggling to go two diametrically different directions.
And, the system here is what I mean when I say "negative energy."**

**It is a separated (quarantined) system.
It is a system under the control of the great prince "nothing" and those with him
whose time of "CHOICE" has passed.**

While unconnected and in this flesh, we are all under the thumb of the things we cannot see.

This is the default setting.

**The automated direction that mankind blindly moves when the Light of the Maker of all that is,
was, or remains to come, and the indwelling connection to the Creator Himself, are wilfully, or
even subconsciously, cast aside in the great pursuit of the sin which may indeed
summarize all sin:
Self-will.**

**Self-will is your childish right to loudly declare, "God, I'll call you when and if I need
you, but right now, I just need to get a few things done for myself.**

**It is the "focuser" on the problems, the troubles, the rocky path, the fanged animals
and the**

perils that always lay on the road ahead.

**These are the ones who bow in the temple of this present darkness to their own
self-pity. They moan and groan... scream, whine and beg. In their world everything is
always falling apart.**

It is this crisis followed by the next; like sheep crying for the wolves to find them.

**Isa 11:6 The wolf also shall dwell with the lamb, and the leopard shall lie down with the kid; and the calf and the young lion
and the fatling together; and a little child shall lead them (substitution)**

**THE ABOVE PROPHETIC SCRIPTURE WAS RECENTLY SUBSTITUTED FOR THE ORIGINAL BELOW...WHICH
HAS ALWAYS BEEN -"THE LION LAYS DOWN WITH THE LAMB".THESE WERE NOT REPRINTS ...THEY WERE CHANGED MYSTERI-
OUSLY ON EVERYONE'S BOOKSHELVES . NOW THE WOLF SUPPLANTS THE LAMBBLASPHEMY ! ! !**

**Isa 11:6 The lion shall lie down with the lamb, and the bear shall eat grass like an ox; and a little child shall play on the hole
of the asp and nothing shall hurt or destroy on all my holy mountain. (original scripture)**

You have been given freewill in this choice of opposites!

Use it wisely...

So that when the day of accounting comes

Your assessment will be :

WHAT HAVE WE BECOME,?
HAVE THE CONSEQUENCES OF OUR CHOICES GIVEN US A FANTASY REALITY ?
where are we going ?

But the world remains the same, we fail to twig that politicians are **SELECTED** not **ELECTED**...
They serve those that buy them into power, they do not firstly represent us...

We need **Statesmen to come into office** as our true leaders, not **Politicians funded into power**
(bought and sold).

Where there is no true leadership we've failed to lead ourselves...because we have become a
world of followers.

Become the change you want to for our world. Stop waiting for a political messiah.

We didn't get to this point by sitting on our asses.

The human race survived, not because we are the fastest, or the strongest.

We have mastered the art of killing.

Maybe the art of joy would be a more worthy achievement to master !

Earth has a true purpose: to be a home for mankind, this isn't about saving
earth...earth will be around whether we are or not... who knows.... It has been
around for millennia , that we know of... Each of us will be lucky to last to 80.

Although we are only around for a relatively short term, through **our choices**
our impact will be forever.

Perhaps a grand statement to thoughts of David as he wrote to God,
"Who is man that you are mindful of him?"

"Which brings us full circle to the great question of "The Way Out",
and which way we go with our bicycle on the hill? Do we allow ourselves to be
consumed by the natural state of this flesh? Do we accept the fear and grip it tight
as we plummet to the deepest regions of abyss?

Or, do we go against the mechanics of this place, this great big finely crafted Swiss
watch with all its delicate gears working in harmony until both hands hit zero.

The moment when all illusion stops.

Perhaps that is the moment that we find ourselves,

"absent from the flesh and present with the Spirit."

The moment I have come to understand that our ability to that thing called
"Choice" is gone.

The moment that this all consuming thing we have called "the NOW" becomes past;
and, the infinite and unimaginable becomes "Present."

Our journey in life brings us to many intersections.
Directional change **requiring a choice.**

And who waits at THOSE intersections ?

At this fork in the road(below), let's say that the
left path leads to 'Darwin', and the **right path to 'Brisbane'.**

Does that entity, standing at the **point of choice,**
trade in lies or truth. ?

information to give you a **true choice** of direction for your destination.

How can you decide if this entity
speaks truth or **misleading misdirection?**

Let's say you have come from **'Melbourne & going to Brisbane'**

and ask **" where have I come from "**

and the answer that you know to be true is **Melbourne,**

your next question!

" which path do I take to get to Brisbane "

"Then the path to the right is the true choice for Brisbane."

TO MAKE WISE CHOICES, YOU NEED AN AUTHORITATIVE SOURCE OF TRUTH !

YOU NEVER KNOW WHO WAITS AT THESE INTERSECTIONS !
