

**PREFACE
for
PART 1
(Pages 101—180)**

Life Presents us with both problems and mysteries.

For instance : The problems with Sex and The Mysteries of Romance;
Educate the Mystery of "Romance" away, and you're just left with the problem of "Sex".

(In the Process you trade "Love" for "Lust").

So , What is sex education all about?

Does it not destroy one of the great Mysteries of life,
and in so doing build a cultural foundation for Promiscuity.

**It has been said : Life is a riddle, wrapped in a mystery, inside an enigma;
This is an attempt to show some clues to this Puzzle of Life;
Perhaps, also, there are Keys to help solve this puzzle.**

PROBLEMS

Our Physical Reality distracts us with a whole ongoing series of problematics, and experience gained here teaches us the "**How**" functions of our lives. Challenges addressed and problems overcome, help us to survive and enhance our Life Skills. Character is gradually built by accretion, (like a pearl of great price) providing inner resources to meet future challenges. Without this we become 'men without chests', nowhere for our hearts or our courage to reside.

We are fearfully and wonderfully made and we are Designed to Work. It is a blessing to enjoy what we do, and be able to address the challenges and experience that life brings us.

These challenges **Quantify our lives**.

MYSTERIES

As we are the only animals that can ask "**Why?**", the Mysteries of Life engender in us, curiosities about the "Meaning" of our existence and the sources of our 'Inspirations'.

To be 'Inspired' is to be 'IN-SPIRITED', and this is our way of connecting to meaning or the spirit which moves us.

Our inspirations can be gifts or curses,
and these **Qualify our lives**

CHOICES

In this regard we are challenged to qualify the **Sources of all In-Spiration** and to discriminate the quality of our choices. Also critical is the manner in which we then actualize our potentials and choices in this practical world.

**The Discernment and Quality of all of our choices, colour our Lives.
They cast Light or Shadows across the latter parts of our lives, and even our Eternity.**

The compilations of video clips, documentaries, commentaries, articles, compilations, flowcharts, wall charts, and illustrations deal with these choices in general and our own **individual "Choice"** in particular.

They contain **clues**, in our past traditions, in our present surroundings and influences, and the potentials for our future which is under threat from our past and present choices and agendas.

The keys to these clues are found in The Book of Life.
(I've got Eternity, how long have you?)

'Peel the onion' with anticipation, one layer at a time, and make your choices carefully....

THESE CHARTS CONTAIN CLUES TO UNRAVELING THE PUZZLE OF LIFE, HIGHLIGHTING BOTH WISE AND UNWISE DIRECTIONS, RESULTING FROM OUR CHOICES ALONG THE WAY.

THEY ALSO DEFINE THE STATE OF OUR SOULS AND THE PLACES THAT OUR LIVES ARE OCCUPYING IN TIME AND SPACE AND OUR PROGRESSION IN OUR CONSCIOUSNESS OF LIFE AND IT'S MEANING.

IF WE GO BACK TO THE BEGINNING IN SCRIPTURE WE WILL FIND OUT THAT THERE ARE TWO SOURCES OF TRUTH : (KEYS TO THE CLUES IN THE CHARTS)

THE TREE OF THE KNOWLEDGE... MAN'S WISDOM OF GOOD AND EVIL ..

.(A RELATIVE TRUTH ..THE REALITY OF DUALITY - GOOD VERSUS EVIL... VARIOUS CHOICES)

01 - WORLDLY KNOWLEDGE OF WHAT IS RIGHT AND WRONG.(**CHARTS 1 & 2 - PATH OF DEATH**)

02 - IT'S MAN MADE COMPLIANCE TO THE LAW, AND MAN MADE CHANGES IN OUTWARD ACTIONS.
(CHARTS 1, 2 & 3 PATH TO DEATH)

03 - IT'S THE LETTER OF THE LAW OF GOD, AND DEAD RELIGION, BASED ON THE COMPLIANCE TO THE DEAD LETTER OF THE LAW.

04 - IT'S A FOCUS ON SELF. (**CHART 3**)

05 - IF WE FOCUS ON OUR SELF WE CAN GO TWO DIRECTIONS ...WE CAN INDULGE AND BECOME LICENTIOUS....OR...WE CAN GO THE OTHER ROUTE AND BECOME SELF - RIGHTEOUS.

06 - IT ALSO INCLUDES A FALSE TRUST THAT WORLDLY PHILOSOPHY (**CHART 3**) AND OTHER FRUITS OF THE TREE OF KNOWLEDGE OF GOOD AND EVIL, WILL EXPOSE SATAN....**IT WILL NOT EXPOSE SATAN...!!!** WHY ?....BECAUSE SATAN APPEARS AS AN ANGEL OF LIGHT...

07 - THE FRUIT OF THIS TREE WILL NOT EXPOSE SATAN....THIS IS WHAT IS CALLED IN SCRIPTURE **THE "FLESH"**. (**CHART 1,2 & 3**)

08 - **IT LEADS TO DEATH**, NOT TO MENTION THAT IT PRODUCES IN THE MIND ... LASCIVIOUSNESS...DOUBLE MINDEDNESS...AND PRIDE IN WHAT ONE KNOWS.... **AND THE WISDOM OF MAN—IS VERY POPULAR...!!!**

AND THE TREE OF LIFE... GOD'S WISDOM

(THE ABSOLUTE TRUTH REALITY OF DICHOTEMY UNDERSTANDING OF RIGHTEOUSNESSTHE ONLY VIABLE CHOICE)

01 - YET THIS TREE OF LIFE, IN THE GARDEN, INCLUDED A FEAR (AWE) OF GOD...PEACE...GOD-CENTERED KNOWLEDGE... WHICH IS RELEVANT TO WHAT GOD IS DOING ... THEREFORE TRUE WISDOM. THE FEAR OF GOD IS THE BEGINNING OF WISDOM.
(CHARTS 1 & 2 -PATH TO LIFE)

02 -IT'S THE "SPIRIT" OF THE LAW ...A LIVING FAITH AND RELATIONSHIP WITH GOD
(CHARTS 1 & 2 - THE PATH TO LIFE)

03 - SPIRIT MADE CHANGES IN THE HEART

04 - AND FOCUSES ON CHRIST, THE SPIRIT AND THE HEAVENLY FATHER
(CHARTS 1 & 2 -PATH TO LIFE)

05 - **IT EXPOSES SATAN** AND HIS CORRUPTING INFLUENCES, BY CORRECTLY USING THE LIVING WORD OF GOD...WRITTEN BY THE SPIRIT ... WITH THE GUIDANCE OF THE SPIRIT..

06 - IT LEADS TO A RENEWED SOUND MIND, AND HUMILITY TO LEARN FROM OTHERS, AND FROM THE MASTER TEACHER (**CHART 1 & 2 - PATH TO LIFE**)

07 - THE SCRIPTURES CALL THIS **THE "SPIRIT"**

08 - **IT LEADS TO LIFE**, - IT'S THE GOODNESS OF GOD , , (BECAUSE A NATURAL MAN DOESN'T RECEIVE THE THINGS OF GOD AS THEY'RE FOOLISHNESS TO HIM, AND THE WISDOM OF MAN IS FOOLISHNESS TO GOD).... AND **THE WISDOM OF GOD IS VERY UNPOPULAR...!!!**

THE PULSE OF LIFE

LIFE IS A GIFT FROM GOD.

WE ARE ENDOWED WITH THE GIFT OF FREEWILL.

FREEDOM TO CHOOSE POSITIVE VOLITION WHICH IMPUTES RIGHTEOUSNESS TO OUR SOUL

OR

FREEDOM TO CHOOSE NEGATIVE VOLITION WHICH GIVES US A LICENTIOUS SELF-RIGHTEOUSNESS.

YOUR DAMNATION IS YOUR GIFT TO LUCIFER - YOUR SALVATION IS YOUR GIFT FROM GOD.

THE REWARDS OR CONSEQUENCES RESULTING FROM OUR CHOICES MAP OUT EITHER **OUR DESTINY** OR **OUR FATE**. AS THE NEXT PAGE SHOWS, IN THIS PHYSICAL REALITY, OUR LIFE PATH TRAVELS THROUGH CYCLIC TIME WITH MANY PERIODS, MOMENTS AND CHANGES. THIS REQUIRES US TO MAKE MANY DECISIONS AND CHOICES WHICH ALL HAVE CONSEQUENCES FOR OUR PHYSICAL, EMOTIONAL, PSYCHOLOGICAL AND SPIRITUAL WELL BEING.

OUR SOUL IS US, AND WE ARE HERE FOR OUR SOUL TO EXPERIENCE MORTALITY, AND LEARN AND APPLY THE CHOICES THAT LEAD US TO EVERLASTING LIFE(WITH OUR CREATOR FOR ETERNITY), OR TO THE DECEPTION THAT IS THE PATH OF DEATH (SEPARATION FROM GOD FOR ETERNITY).

WE ARE HERE TO BE A WITNESS FOR GOD IN THE PROSECUTION OF LUCIFER IN THE COURTHOUSE OF GOD'S ABSOLUTE JUSTICE, AND WE MUST TAKE A STAND FOR ONE SIDE OR THE OTHER....
OUR CHOICES WILL BE CONSUMMATED AT OUR PASSING FROM THIS LIFE.

OUR BODY IS A TEMPLE, WHOSE COMMUNION PARTAKES EITHER IN THE LIGHT, OR IN THE DARKNESS... IT IS DIRECTED BY THE HEART FROM WHICH GOOD OR EVIL CAN BE GENERATED, AND INFLUENCES THE WELL BEING OR ILLNESS OF OUR SOUL.. **OUR DNA IS AFFECTED BY THESE CHOICES AND RECORDS THE STATE OF THE HEALTH OR ILLNESS OF OUR WHOLE BEING...**

GOD MONITORS OUR DNA AND FROM A READING OF THAT PERSONAL BOOK, MIGHT HIS JUDGEMENT OF US BE MADE? YOU CAN'T HIDE YOUR DNA FROM GOD !

OUR LIFE PULSE

THE HALVES OF OUR LIVES

0-42 — IN THE FIRST HALF OF OUR LIFE—**WE MAKE A LIVING BY WHAT WE GET.**

42-84 — IN THE SECOND HALF OF OUR LIFE—**WE MAKE A LIFE BY WHAT WE GIVE.**

THE TRIMESTERS OF OUR LIVES

0-28 — THE FIRST TRIMESTER OF OUR LIFE IS OUR APPRENTICESHIP.

28-56 — THE SECOND TRIMESTER OF OUR LIFE WE BECOME OUR INDIVIDUAL AUTHENTIC SELVES.

56-84 — IN THE LAST TRIMESTER, WE DISTRIBUTE OUR LIVES BACK TO THIS WORLD AND FIND THE MEANING OF OUR LIFE.

THE QUARTERS OF OUR LIVES

INSTINCTIVE PHASE : 0-21 — IN THE FIRST QUARTER OF OUR LIVES—WE FIND OURSELVES IN THE WORLD.

EMOTIVE PHASE : 21-42 — IN THE SECOND QUARTER OF OUR LIVES—WE LOSE THE WORLD IN OURSELVES.

INTELLECTUAL PHASE : 42-63 — IN THE THIRD QUARTER OF OUR LIVES—WE FIND THE WORLD IN OURSELVES.

PERCEPTIVE PHASE : 63-84 — IN THE LAST QUARTER OF OUR LIVES—WE LOSE OURSELVES IN THE WORLD.

—ALL CHOICES MADE DURING THESE PHASES OF OUR LIVES IMPACT OUR SOUL FOR ETERNITY—

A WORLD WITHOUT GOD IS A VERY DARK PLACE —A LIFE WITHOUT GOD IS A VERY DARK AND SCARY LIFE

WE LIVE IN A DARK NEIGHBOURHOOD IN THE CENTRE OF THE COSMOS, WHERE EVIL HAS IT'S WAY,
MAINLY BECAUSE GOOD MEN DO NOTHING.

THE LIGHT OF GOD SHINES THROUGH HIS PEOPLE, AND IS THE ONLY ANTIDOTE TO THE EVIL.

WE ARE TO LET GOD'S LIGHT SHINE THROUGH US....EVIL CANNOT BEAR "THE LIGHT ". FAITH KILLS FEAR , AND PRAYER CHANGES THINGS.

**HOWEVER, THESE GIFTS FROM GOD WILL NOT ALWAYS BE HERE FOR MANKIND.
 SO TAKE A BLIND LEAP OF FAITH AND TURN ON THAT LIGHT WHILE YOU STILL CAN .**

WHEN GOD WITHDRAWS HIS GRACE, HE WILL LET MAN JUDGE MAN , AND SIN WILL JUDGE SIN. THEN COMES THE JUDGE. DARKNESS AND SEPARATION WILL BE ETERNAL FOR THOSE WHO CHOOSE NEGATIVE VOLITION AND A SELF-CENTRED REBELLIOUS SPIRIT. **DENIAL WILL BE THEIR EVERLASTING EPITAPH, SHARING A DARK PLACE,**
ORIGINALLY ONLY CREATED FOR THE DEVIL AND HIS FALLEN ANGELS.

COUNTERFEITS ARE EVERYWHERE, THE FATHER OF LIES HAS DONE HIS BEST WORK IN A DENYING WORLD, WHICH IS DECEIVED BY, AND WAITING FOR THE COUNTERFEITS TO BECOME THEIR SPIRITUAL TRUTHS.

A COUPLE OF PAGES ON YOU WILL SEE HOW THE JUNKMAN WAITS IN THE WINGS FOR SUCH AS THESE AND THE AUTHORITY THEY WILL ABDICATE TO HIM THROUGH THEIR SPIRITUALLY BLIND CHOICES....THIS DARK PROSE HIGHLIGHTS IMAGES OF WHAT IT IS TO LIVE IN A WORLD GOVERNED BY EVIL, FEAR AND DESPAIR..NO FAITH ,ONLY UNFULFILLED HOPE WITH SEEMINGLY NO ENDING, AND NO WAY OUT ..NO INDIVIDUAL SIGNIFICANCE CAN BE FOUND THERE, ONLY THE FEAR OF BEING ALONE IN A DARK SCARY PLACE. PRAYER CANNOT CHANGE THINGS THERE, AS THE TRUE GOD WHO ANSWERS PRAYERS HAS BEEN REPLACED BY COUNTERFEIT "GODS" WHO PLAY TAUNTING GAMES WITH THE IMPOTENT PRAYERS OF ABDUCTED SOULS.

THE WORLD IS MOVING RAPIDLY INTO THIS "JUNKYARD" SAYING "THERE IS NO GOD"!

HOW CAN THEY FILL THIS VACUUM INSIDE, THE ONE THEY'D CALL GOD EXCEPT FOR THEIR PRIDE !

SPIRIT IMPRISONED WITH PRIDE AS IT'S CAGE, ...FAITH HAS DEPARTED AND LIFE TURNS TO RAGE ;

MIND INTERNED IN FOLLY—A CELL,...DISCERNMENT IS LOST, THEY SEE ONLY HELL ;

EMOTIONAL CAGES WITH LOCKS MADE OF LIES,... THE PRISONERS INSIDE SEES THAT ALL THAT IS LOVED, DIES ;

BODY BECOMES THE PRISONER OF THINGS,...THEIR HIGHER DECEITS HAVE ALL GATHERED IN...

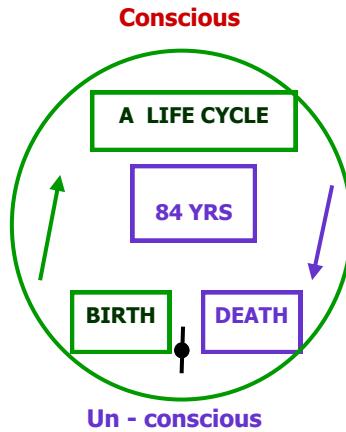

GOD HAS PROVIDED A WAY OUT, WE ONLY HAVE TO ASK !

YOUR LIFE CYCLE

1

As we come into this physical reality we are born into cyclic time.

This is what we call relative time, as history records the relationships of these cycles to each other and their various time periods moments and events. These recorded events and periods keep us informed of our past and help us enrich our present with our heritage and traditions.

The average life expectancy these days is Approximately 84 years. This cycle has observable moments and periods and are commonly found in most lives.. e.g. Waxing 1st half and Waning 2nd half. All cycles in nature have these observable growing and declining periods. e.g. Waxing and waning moon , tides, day and night cycles, and life cycles of plants, seasons etc

2

So, then, also do our lives have a waxing period and a waning period. (**The Tides of Life**)

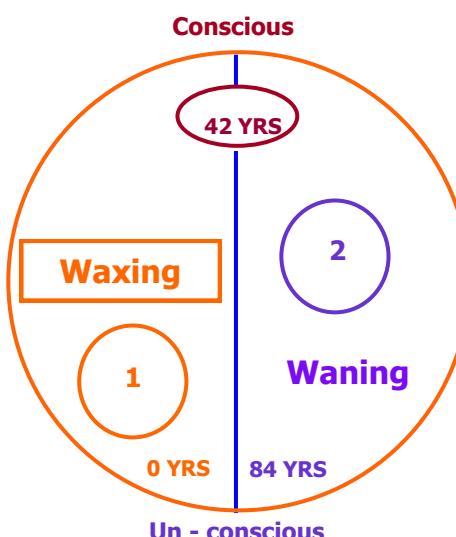

The vertical line is the "Consciousness Axis"

As our time-life clocks cross this line we are being challenged to shift our vision from growth to decline, from self to others, and this occurs in the mundane world for us at around 40 yrs. (commonly referred to as "Midlife Crisis").

This is the fully conscious part of our life cycle, when we can See what we have received and achieved so far. However we still have the other half to go, as we will head back to the unconscious end of that Consciousness axis. In this first half of our lives we grow and learn to become our own "Authentic Individual Self".

In the 1st. half of our life we make a "living" by what we get.

A "Buying & Selling" Economy of life.

In the second half of our cycle of life, we are confronted with the consequences and rewards of our first half choices.

Here we are confronted with the "giving and receiving" way of life. We become more aware then of the need to return and bless others with the fruits of our life.

In this 2nd. half of our life we make a "life" by what we give.

A "Giving & Receiving" Economy of life.

3

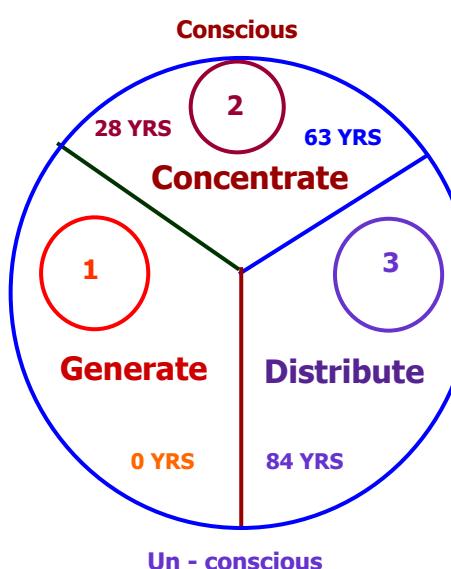

When writing a story, we start (generate) have a middle (concentrate), and wrap up or synthesize the plot creating an ending. (distribute).

So, also, our own life story has three terms of unfoldment:

Three shifting periods of influence over the "race run"

A tri-athalon of Changes and Choices.

The first trimester of our lives is what I call our "apprenticeship". It is one of our two "dependent" phases in life. Here we are mentored by our parental, social and education protections as we learn our life survival skills and learn to adapt to this reality. By 28 we are prepared to step out on our own two feet. We now move into the "Manage Ourselves" phase, become executives, have families. The Sphinx asked Oedipus, what creature walks on four legs in the morning, two at noon and three in the afternoon. Man was the correct answer. (Why ???)

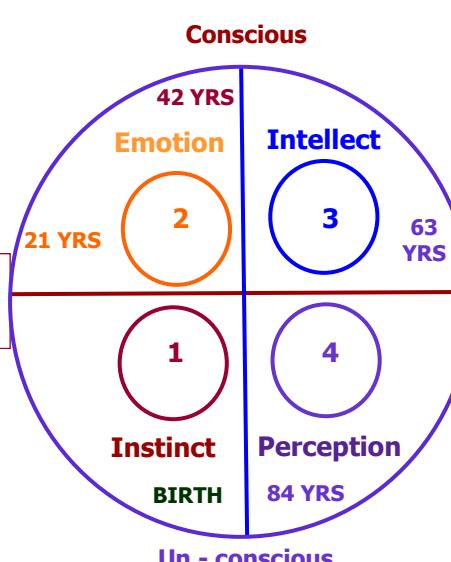

By 42, we should have become the Unique, Individual, Authentic Selves that our God inspired DNA created us to be. So far we have Generated and Concentrated our potentials ; now we need to Distribute the best that our life has to offer, in charity love and understanding. It's time to fertilize and sow the seeds of our "immortality" by gifting and willing our talents for future generations. By this time we should have become Well & Truly "Born Again in the Spirit," ready for our individual spiritual step into ETERNITY.

4

(The diagram below the horizontal line represents the Power Axis & the vertical, the Consciousness Axis)

In the 1st quarter of our lives, when unconsciousness meets up with power for growth axis, **"a Crisis occurs at the Actional level of experience"**, and choices and decisions are to be made. e.g. At 21 yrs we are challenged to move into society as an adult. We become more responsible for our choices, so our challenges are more **"Emotionally"** driven.

Ending the 2nd quarter is a "mid-life" and a reorientation crisis in consciousness at 42, shifting from action to meaning- from emotion to **"Intellect."**

The consequences of our 1st 21 years successes & failures, through choices made then, now become evident. Meaningful lessons are learnt at this time. The puzzle of life now seems **possibly solvable**. Now comes the last quarter. At 63 consciousness meets up with power for understanding a **"Crisis at the Ideological level of understanding occurs."**

The choices & decisions made now enhance or detract from our transition **from logic to perception, from meritorious to non-meritorious perception.(Belief thru Faith)** preparing for Fate or Destiny in Eternity.

THE JUNKMAN

THE CHOICE **(THE JUNKMAN)**

IS YOUR FLESH AWAKE BUT YOUR SOUL ASLEEP ?
 HAVE YOU BEEN BORN IN THE FLESH BUT NOT BORN AGAIN IN THE SPIRIT ?
 DOES YOUR SOUL DREAM AS A SLAVE - NO REAL FLIGHT LEFT IN IT ?
OR HAS THE CHRIST IN YOU ARisen FROM THE CAVES OF YOUR HEART?
AND DOES YOUR AWAKENED SPIRIT SOAR AS ON THE WINGS OF EAGLES ?

**THE JUNKMAN HAS NO AUTHORITY OVER YOUR SOUL, UNTIL YOU SURRENDER
YOUR GOD - GIVEN ATHOURITY TO MAKE YOUR OWN CHOICES IN YOUR LIFE.**

**WE HAVE SOMETHING, THAT THESE UNSEEN ENTITIES, THAT SHARE THIS PLACE WITH US, DO NOT.
THEY ARE JEALOUS OF HAVING LOST THAT RIGHT TO CHOOSE, THROUGH REBELLION A LONG TIME AGO.**

THE FREE WILL TO CHOOSE AND THE AUTHORITY TO CHANGE THINGS IN THIS PLACE IS WHAT MAKES US HUMAN.
 AND YOU HAVE TO BE BORN OF THE FLESH TO CLAIM THIS AUTHORITY(PRAYER CHANGES THINGS)
 (THIS IS WHY GOD HAD TO BE BORN OF THE FLESH TO MAKE THE ULTIMATE SACRIFICE TO SAVE US)
WE ARE THE ONLY CREATURE, BORN TO ASK WHY, AND DESIGNED TO KNOW GOD.

OUR SEARCH IS NOT FOR SECURITY, IT IS THE SEARCH FOR MEANING, FOR SIGNIFICANCE, FOR QUICKENING OF THE SPIRIT,
 FOR AWAKENING OF THE SOUL, AND GAINING A RELATIONSHIP WITH OUR CREATOR — OUR SOURCE.

WE ARE BORN IN THE FLESH, AND THE OTHER DARK ENTITIES, HERE WITH US, WERE NOT..
 THEY ARE FALLEN ANGELS AND DEMONS, DISINCARNAYE ENTITIES, AND CAN ONLY INFLUENCE CHANGES WITH OUR CONSENT.
 THEY TRADE WITH US THROUGH THE WORLD OF TEMPTATIONS OF THE FLESH AND PRIDE - TO BUY OUR SOULS
 ...THEY ARE NOT HUMAN, BUT DO LUST AFTER THE AUTHOURITY THAT WE, AS HUMANS HAVE, WHICH THEY DONT....

IN THE PREVIOUS IMAGE (PAGE 8) YOU SEE THE JUNKMAN WAITING FOR THAT AUTHORITY.

YOU ARE ASLEEP IN THE SOUL AND DREAMING. YOU HAVE MOVED YOUR SOUL INTO THE SECURITY
 COMFORT ZONE OF THE CAVE, IN THE ROOTS OF YOUR EMOTIONS AND CREATED YOUR OWN "PLATO'S CAVE" - OBLIVIOUS TO THE TRUE REALITY AND THE DANGERS WAITING IN
 THE WINGS,TRYING TO KEEP THE REAL WORLD AND GOD OUT.

WHILE ABOVE THE MESSENGERS OF GOD ARE WAITING TO WAKE YOU UP WITH A BAPTISM IN THE SPIRIT, BUT CAN'T MOVE UNTIL YOU AUTHOURIZE THEM TO HELP
 SAVE YOU FROM DEATH.....

THEY NEED TO GET THROUGH THE BRANCHES AND RESCUE YOU FROM THAT FOREBODING AND ROCKY GROUND.
 THE BRANCHES ARE THE ENTANGLED DEFENCES OF YOUR FEARS AND EMOTIONS WHICH YOU HAVE CONSTRUCTED TO AVOID THE TRUTH.

— FEAR KILLS FAITH - (IF YOU LET IT) — AND FAITH KILLS FEAR - (IF YOU LET IT) —

WE ARE IN A PRISON IN A SINKHOLE IN A CENTRE OF THE UNIVERSE, DESIGNED TO QUARANTINE GOD'S CREATED UNIVERSE FROM THE POLARIZED DUAL SIN NATURE
 OF THE LUCIFERIAN ARROGANCE AND DIVISIVE REBELLIOUS SPIRIT.

OUR RESTRAINTS ARE CONTAINED WITHIN AND POLARISED BY AN ELECTRO-MAGNETIC FIELD, (A GRAVITY WELL), IN WHICH ALL THINGS ARE OBSERVED AS
 POLARITY. (e.g. Dark-Light, Man-Woman, Day-Night, Right-Wrong, Yes-No, Left Brain-Right-Brain, Summer-Winter, Autumn-Spring, Good-Evil etc.)
 SPACE, IN THIS GRAVITY WELL, BECOMES AN INESCAPABLE TYRRANY OF DISTANCE. ANY ATTEMPT TO REACH IT'S BOUNADRIES IN OUR PHYSICAL BODIES IS FRUS-
 TRATED BY INFINITY. ALL THINGS IN THIS REALITY ARE FINITE.

(INFINITY BEING OUR SCIENTIFIC ALTER—EGO EXPRESSION FOR THE OPEN UNIVERSE'S ETERNITY)

TIME, HERE IS FORCED, BY OUR LOCATION, TO MOVE IN CYCLES, AND SO MUST SPIRAL ALONG A PATH INTO A
 CONTINUING CIRCULAR INFINITY.. SO TIME IN OUR PRESENT REALITY IS CYCLIC AND RELATIVE AND HAS DEATH AND
 REGENERATION AT THE END OF EACH CYCLE.

TIME IN THE GREATER OPEN UNIVERSE, HOWEVER IS THE ABSOLUTE TIME OF ETERNITY AND SUPPORTS EVERLASTING LIFE .
 (WITHOUT GROWTH AND CONTINUAL CHANGE, AS WE KNOW IT) . HERE WE DEVOUR ENERGY AS POWER FOR GROWTH,
 AND HERE WE GROW TOWARDS DEATH, AS ALL POWER IN THIS REALITY EVENTUALLY CORRUPTS.
(ALL ENCLOSED SYSTEMS MUST MOVE TO ENTROPY, MUST RUN DOWN).

GRAVITY WELLS ATTRACT MATTER THROUGH DENSITY WHERE LIGHT CAN BE SEEN BY THE NAKED EYE.
 (OUR LENSE TO THE COSMOS.)

INTERESTING THAT THE ASTRONAUGHTS OBSERVED SPACE WITHOUT STARS SHINING BECAUSE THEY HAD NO DENSE
 ATMOSPHERIC LENSE TO MAKE THE LIGHT SEE-ABLE. IF MATTER HAS CONGREGATED IN OUR GRAVITY WELL (THE COSMOS), AND THE SCIENTISTS ARE LOOKING FOR
 "DARK MATTER" , MAYBE THE GRAVITY RUN "COSMOS" CONTAINS SPARSELY
 DISTRIBUTED MATTER.

HOWEVER, THE TRUE UNIVERSE OUTSIDE THIS SINKHOLE THAT, IS AT IT'S CENTRE, HAS NO NEED TO ATTRACT MATTER ;
 (A SPIRITUAL NEIGHBOURHOOD), AND VERY WELL COULD BE DEVOID OF MATTER).
 (MAYBE THE SCIENTISTS CAN'T SEE THE FOREST FOR THE TREES.)

WE ARE "PROXIES" IN A COSMIC COURT BATTLE - HERE, AS GOD'S REPRESENTATIVES OF THE LIGHT AGAINST THE
 DARKNESS..WE ARE BEING CHALLENGED TO BECOME PART OF GOD'S ABSOLUTE JUSTICE,
 GIVING LUCIFER AND HIS MINIONS THEIR DAY IN COURT.

IN SCRIPTURE, WE ARE TOLD THAT WE WILL JUDGE THE ANGELS.
 WE ARE THE ONLY ONES THAT ARE GETTING OUT OF HERE! **IF WE CHOOSE TO DO SO !**
 ALL WE HAVE TO DO IS FIND OUR KEYS TO THIS GREAT PUZZLE.

GOD HAS GIVEN US **HIS "WORD"** - HIS SON, AND HIS SPIRIT - WITH WHICH TO RECLAIM OUR SPIRITUAL INHERITANCE.
GOD TELLS US THAT HELL WAS NOT MADE FOR HUMANS.
GOD WOULD THAT NONE SHOULD PERISH. HOWEVER —HE HAS MADE A WAY OUT OF HERE FOR US.

PRAYER DOES CHANGES THINGS, BUT PRAYER MUST BE EMPOWERED,
 IF YOU ARE CONNECTED TO GOD THROUGH BEING BORN AGAIN IN THE SPIRIT.

HAVE YOU BEEN SO "SOUL EMPOWERED"?

WOULD YOU LIKE YOUR AWAKENED SPIRIT TO SOAR AS ON THE WINGS OF EAGHLES ?

LOOK IN THE FOLLOWING CLUES AND KEYS, CHARTS & DVDS . YOU MAY JUST FIND THE ANSWER .

THE POEM -- THE JUNKMAN

A NEW - AGE LAMENT

(A TYPICAL BLUE - PILL SOLUTION)
FULL OF HOPE AND FEAR
DRAWING ON EARTHLY WISDOM
A PANTHEISTIC SOLUTION

In a dream I dreamt, that was no dream ;.....
In a sleep I slept, that was no sleep.....
I met the JUNKMAN, in his scattered yard.....
There, in a twilight of talk ,
my ears stared at the wag of his broken jaw ,
as he ranted over his rule of ruin,
and within my rusting headpiece ,
where all metals turn inward ,
I eyed his arguments as a bargain of beads ,
strung on the grieving yesterdays ;

And the JUNKMAN'S words circled
around my beefree brain ,
like crippled wings on a broken bird.....no real flight left in it...

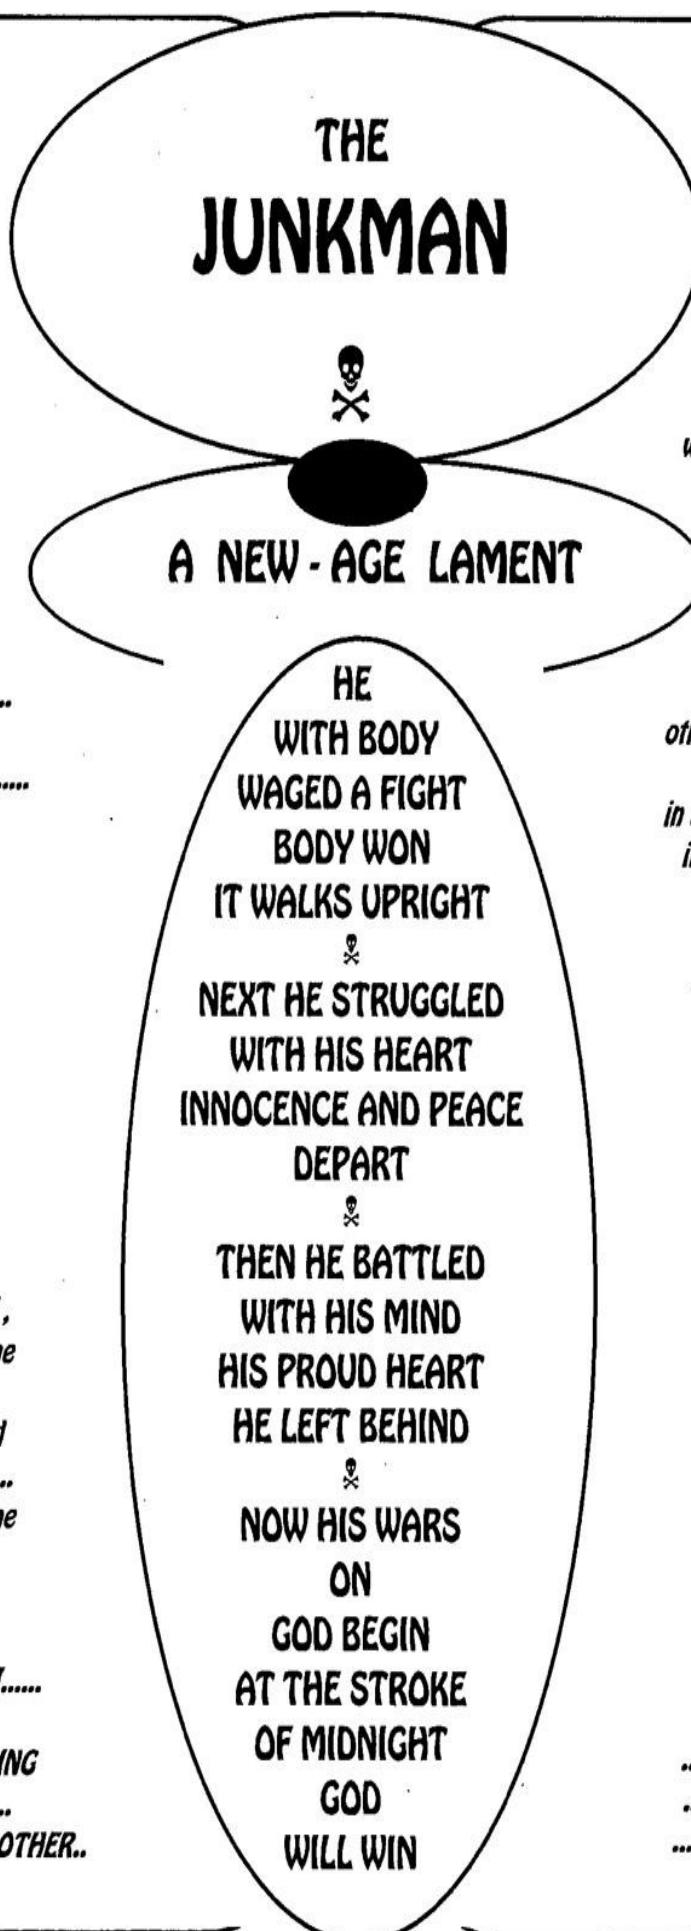

..... Come !hold hands with me.....
and watch the JUNKMAN, as he inventories his rust,
in this stagger of dark.....
Trace with the green of our togethered intelligence ,
the ragpicker counting his twisted treasures ,
Here in this jungle of jungles ,
where all smiles must leap down.....

.....Don't let go of my hand !

Look how this madman of discard walks the low forrest
of his possessions.....
There he stops- and with his practised JUNKMAN'S appraisal ,
he measures the meanness in the meaning in some bent frame
....of lost courage ;
Now.. his aweful laughter beginning , he counts a stack of odd
shaped fears , and considers with his cash-register eyes,
the price they will bring....when some young thing...you or me
....or anyone somewhat free..... come here to build on these
grotesque grounds.

.....DON'T BE AFRAID !..... but Don't let go of my hand !.....

I am no braver than you ! WE NEED OUR NEED OF NEEDING
..... EACH OTHER...
And more ! ... WE NEED OUR NEED OF NOT NEEDING EACH OTHER..

....Now while the JUNKMAN is busy in his counting house;
.... Now while the king of unkindness tells lies to himself;
in a devalue of value.....

Help me , in this crowded air of broken winds , write
melodies we can whistle against the dark.... yes.....now..
....while the JUNKMAN has made a yard of so many millions...
who have been disinherited from their inheritance..... you and I
can begin again , the beginning that has no end.....

We could mix ourselves together,
and throw our togetherness down.....
.....to make the junkyard green,
.....with the cunning of our care.....Then,
in some tomorrow's tomorrow,...on other wings.....
other wings will know that flight can be mended..... and then...
the JUNKMAN , who wants his books in the black ,.....
in a devalue of value , in a profit of no profit , will make his idiot .
inventory against other eyes.....with a difference.....
.....our having given ourselves to the junkyard ,
will give love the sanction !.....
It is now , great greatness will sound with noise , in that then ,
and there will be no more weeping ...or tears.....

As the JUNKMAN lies weak on the memory of his bad bed....
...LOOK ! ... even now , as we hold hands separately.....
.....the crimson edge cuts across our silhouette.....

.....Don't let go of my hand !.....

It will soon be morning, and we can then look unafraid
....at each other.....and in the morning we will laugh....
as the liars run...as we listen to the children of our children's
children , sing the many - melodied one-song.....

The JUNKMAN will be with them ,
but only in the black of their unremembered dreams.....

.....LOOK !.....

....The grey twilight of morning creases the edge of the east..
.....It's almost time to wake up.....
.....BUT DON'T LET GO OF MY HAND !

(This following commentary by Trey Smith....godinanutshell.com)

God in a Nutshell may challenge some traditional, spiritual & scientific dogmas. As a side effect, **some of it may actually be right.** To understand God, we start with the question: "What is man?" This is the second most important question that you and I will ever find an answer to. **And, if we cannot accept the answer to the second most important question, then the first (who is God?) becomes completely irrelevant.** As human beings we attempt to decide friendly answers to the questions that frighten us the most.

We develop all of the supporting evidence that is minimally required to get the outcome we like best. Basically, we are willing to lie to ourselves. We are willing to embrace whatever story

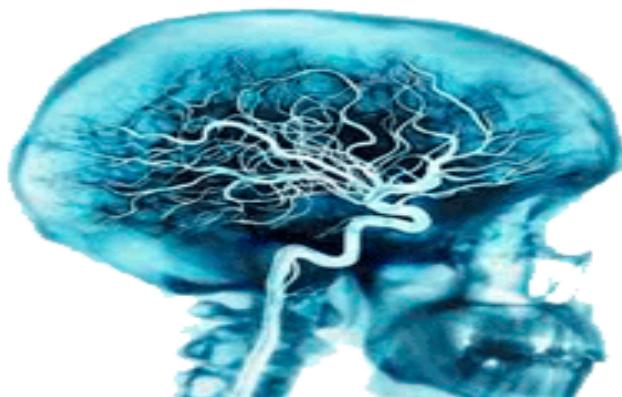

we like best at the expense of the Truth. And, in the world in which we live, mankind has decided to believe a very dangerous story: That there is no God. This is the pre-requisite for the struggles you see now, and the darkness that is assuredly yet to come. **Right now, even in the place you sit to read this page, there are (at least) two different forms of energy. One you can see and another you cannot.**

PHYSICAL ENERGY

First is Physical Energy. It is the construct of everything destined to fade (temporal). It is finite and can be measured and calculated by our primitive technologies and limited understandings of physics, biology and mathematics. The Physical World, from the cells in your skin to the stars in the heavens above, are all very intricate organizations of building blocks; much like computer programs made by man, only trillions of times more complex. For a program to exist, there must be a Programmer.

Something simply does not come from nothing. What I am telling you is this, you are living in a very complex material and biological program..... an unimaginably intelligent cradle which holds something even our best and brightest fall short in the quest to understand.... life.

SPIRITUAL ENERGY

Spiritual Energy is what you cannot yet see, touch, taste, hear, feel or smell. It is not something magical. It is simply the place from which this place (the Physical) came . Thus, trying to understand the makeup of spiritual realms, spiritual energy, eternity or God Himself, is like asking us our knowledge of infinity when we really don't understand yesterday. More than that, it is like a man with a 1950's television antenna attempting to receive satellite cable.

FLESH & SPIRIT A CONNECTION BETWEEN

The channels are out there, lots of them; more crystal clear, precise, amazing, unending and unimaginable. They are everywhere. In fact, there are layers of them right between your fingers as you reach out into empty space; but, it is the limitations of the equipment, the human body, which stands in the way.

However, although as mankind we do not know much, there are a few things we do know.

Both energies, physical and spiritual, contain momentum (speed & direction), which may well be the single determining factor in the physical manifestation of future outcomes and past results.

This is created solely in the moment of exchange, "**The Now.**" The point to which we are currently bound to a location in space (physical) and spirit (eternal) in the confines of a limited, yet functional, biological examination unit; the human body. We are designed with five recordable sensing devices through which we are able to experience this small world within a closed universe.

But, inside of us, inside of these limited, short-term and extremely fragile bodies, is something very special; something very, very special.

It is something that nothing else has.

God in a Nutshell (Page 3)

Something that other things you can't see are jealous of.

In our weakness we possess a power that we cannot even comprehend.

There is an ability that you were born with, that, if enacted with sincere perseverance, is much larger than this place, its rules and the horrible things we can't see that are trapped here with us.

Your human body is a wondrous piece of biological hardware through which your currently bound soul can connect with the Maker Himself. What I am saying is this:

You were designed to know God.

You were designed to co-author eternity. You were designed to import the power of your Maker, your Creator, your Father, into this dark place.

But, to understand that, you must first understand this: You are not your flesh.
You are not your toes, or your ears, or your eyes, or even your brain.

All of these are just parts that work for a time and are destined to fail.
So, when you talk about the human body, you are really talking about the current packaging of a life that will last forever..

If you are connected to the Father, the Creator, the Source,
then indeed, when this life ends,
not only will you be exactly who you were, but you may also find:
that you have been upgraded.

Yet, before I make you feel all warm and fuzzy inside, let me assure you; there are significant and very powerful forces working to prevent all that.

Forces you will hear me explain in some of my letters with names such as, "the voice", "the local service provider", "the dark network", "negative energy", "x-angels", "the rebellion", and "the system of shadows."

Believe me when I tell you, there are those who have made grand investments to ensure that when your flesh fails, you will not be going to a good place.

Where they wish to take you is somewhere that you will be afraid.... you will be very, very afraid.

There are reasons why they want to do this to you,
but my explanation of their reasons is less important than your understanding of:
The Way Out.

GOD in a NUTSHELL (letter 2 ... Page 1)

To understand a **Way Out**, we have no choice but to understand where we are "**NOW.**"
Let me introduce you to the "spiritual ghetto," the dark end of eternity's street.

This is simply the world you and I were born into, the "testing ground." Perhaps the place the Programmer sorts out the parts He would like to keep most.

It was at our conception that we made the CHOICE that our Maker has tried to undo with incredible care, patience and self-sacrifice.

You see, it was the first of our kind that invited in the virus that is this present darkness; turning our cradle into this quarantine.

What greater love could a Father have than to allow His own cancer so that His children could have

The Choice?

Thus, we live in the place God is not. The program, once perfect, is now infected.
It is a hollow shell, dying a piece at a time, where the Creator once was.

Most things here will never escape.

Worse still, there comes an hour on the horizon when this hollow cancer, and everything confined inside of it, will be herded into an even smaller cage.

In that cage, those who were not pulled from this place by connection to their Creator will be as spiritual infants in the unfriendly claws of ancient things;
pleasure puppets for condemned beasts.

Make no mistake, you have been born into a very hostile and dangerous place...

Alone, we are nothing.
Yet, in connection with our Father,
we are backed by the POWER of EVERYTHING.

That is our purpose here.
We are not meant to be slaves, but sons (daughters).

We are in this system, but we are not of it.

Your soul is like a portal that wants to connect to the place it calls home.
The mechanics of the soul are such an amazingly awesome thing.
The details of why you are able to connect with God; and, greater still,
what you really are? The Real You.

However, it is sufficient for now that you simply understand that you are not a ghost, goblin or magical wind. You are eternal.

Eternity is your birthright.
Trust me, you are much, much more than you appear.

God in a Nutshell (LETTER 2. Page 2)

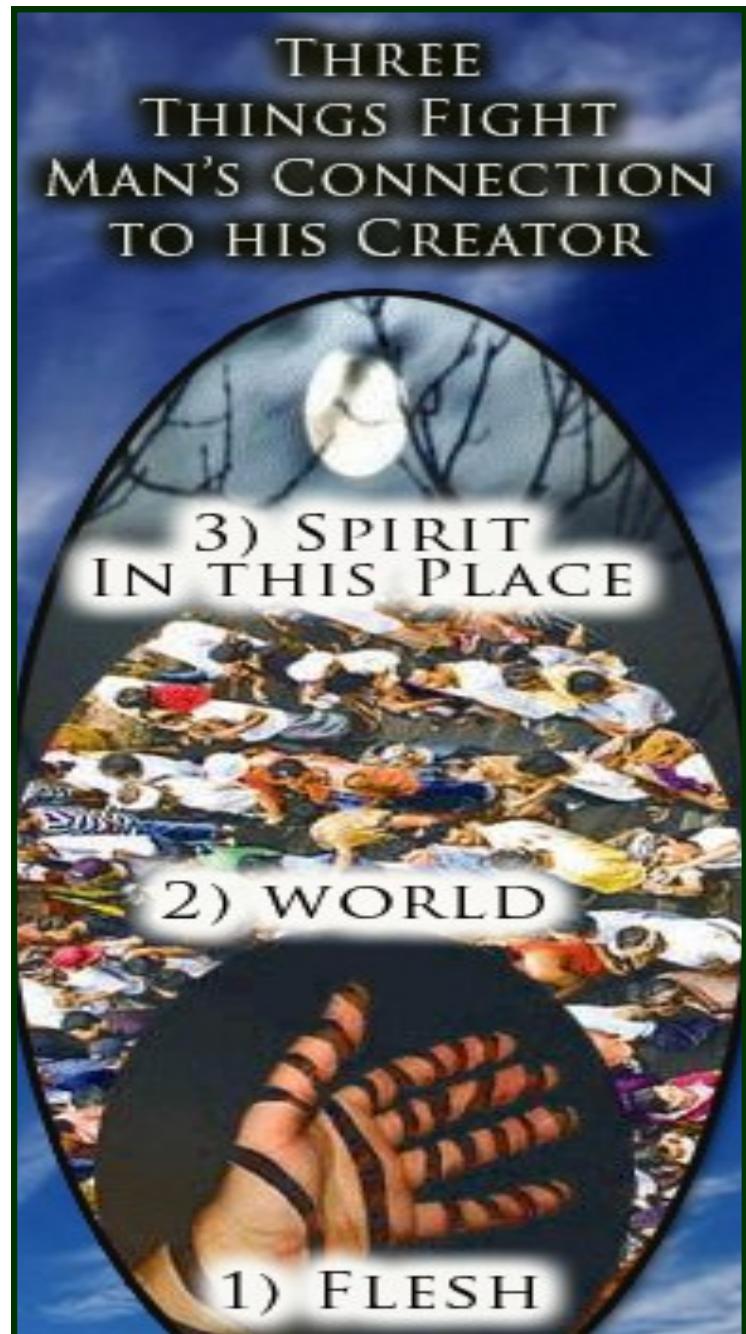

But, you, I and everyone "living" is bound to this dying place and its broken systems, in our biological bodies.

Thus, your soul and your flesh are both struggling to go two diametrically different directions.
And, the system here is what I mean when I say "negative energy."

It is a separated (quarantined) system.

It is a system under the control of the **great prince "nothing"** and those with him **whose time of "CHOICE" has passed.**

While unconnected and in this flesh, we are all under the thumb of the things we cannot see.

So, it is on three powerful levels

(that vital human connections to the Creator are prevented from forming, "birthing," in this place.)

First, is your own flesh;
your body is fighting **YOU** to stay in harmony with the dark system.

Second, is the world around;
this is basically the **dark system's collection** of network resources.

Finally, is the dark system itself;
-it would prefer that you did not even believe it exists.

But, even as strong as all this sounds, it is far from an iron fist.

To the contrary, you circumventing all of its security measures to connect with the Father is what frightens it most.

The darkness is fragile, it is weak, and it will become more vicious as its end draws near.

The system of **the great prince "nothing"**, the world around and even our own flesh can be compared to a bicycle going downhill that can and will gain speed until such point that it reaches a velocity, that without outside intervention, will ultimately meet with disaster of one form or another.

This is the default setting.

The automated direction that mankind blindly moves when the Light of the Maker of all that is, was, or remains to come, **and the indwelling connection to the Creator Himself, are wilfully, or even subconsciously, cast aside** in the great pursuit of the sin which may indeed summarize all sin:

Self-will.

God in a Nutshell (Letter 2. Page 3)

Self-will is our childish right to loudly declare, "God, I'll call you when and if I need you, but right now, I just need to get a few things done for myself.

I just need to get more money.

I just need to get a house.

I just need to get a bigger house.

I just need to get another car.

I just need to do whatever I need to do to make me feel good in the moment that matters most; the moment we have all come to know as **the right "NOW."**

It is the "**NOW**" that determines everything. We are never in the past; nor, are we ever in the future.

No matter when it is, we are always standing on the most crucial determining point, the "**NOW.**"

GREED & SELF-PICTURE FEAR

There are two prominent mechanisms that are successfully controlling most of mankind; like efficient programs to keep us running in meaningless little circles, never even making it beyond our own skin.

You can tell which program has the person next to you bound by simply listening to which story they have to tell.

One: a very prideful story of what self perceived wonders they have done, even if such self proclaimed wonders are crimes committed against the world around.

These are tales of self-gratification, greed, self-will, self-importance and the desperate ego driven need to "**get ahead**" even at the expense of others. People whose every other word is: **me, I, or mine.**

God in a Nutshell (Letter 2 Page 4)

They are the gluttons, the great garbage collectors of life, collecting everything they can as fast as they can and clutching on to it with tightened fists and a grand fear to ever lose a single thing.

They are exact opposites of the Christ mentality.

They are violators of one of the single most important laws that governs the very fabric of the universe itself, whether you believe in God or do not.

They do not understand the simplest of simple rules:

That you must give to receive, and, that the very purpose of "getting" is that you may have something to give away.

They are exactly like I have been, inlets without an outlet; a contradiction to the very flow of life itself.

They scramble to desperately amass anything that is within arm's reach, building fortresses around themselves as barriers of tight protection from the outside world, only to find that the great enemy of which they feared all the while was within.

Then, there is personality **type Two:**

"Are those the governing traits of us all?" I have thought to myself; the glutton to the groaner and all subtle levels of insecurity that lie in-between.

And, when it boils right down to it, both these are actually just outward expressions of mankind's single most prevalent driving force, **Fear.**

It is the "focuser" on the problems, the troubles, the rocky path, the fanged animals and the perils that always lay on the road ahead.

These are the ones who bow in the temple of this present darkness to their own self-pity.

They moan and groan... scream, whine and beg.

In their world everything is always falling apart.

**It is this crisis followed by the next;
like sheep crying for the wolves to find them.**

IN THE GRANDNESS WORLDS WITHIN WORLDS

In the grandness of all the stars, the solar systems, the world within worlds, the great beyond and all that which this feeble human mind would shutter to understand, we are such a speck; a tiny, tiny speck.

We, and when I say we, I really mean I, have fancied ourselves as little kings, self-important, self-proclaimed gods to which all should bow to recognize our trite conquests, trials, problems and achievements.

It is like a drop of water telling the ocean how important that drop is.

Perhaps a grand statement to thoughts of David as he wrote to God, "Who is man that you are mindful of him?" Which brings us full circle to the great question of "**The Way Out**", and which way we go with our bicycle on the hill? Do we allow ourselves to be consumed by the natural state of this flesh? Do we accept the fear and grip it tight as we plummet to the deepest regions of abyss?

Or, do we go against the mechanics of this place, this great big finely crafted Swiss watch with all its delicate gears working in harmony until both hands hit zero.

The moment when all illusion stops.

**Perhaps that is the moment that we find ourselves,
"absent from the flesh and present with the Spirit."**

The moment I have come to understand that our ability to that thing called "**Choice**" is gone.

The moment that this all consuming thing we have called "the NOW" becomes past; and, the infinite and unimaginable becomes "Present."

So, What is the Choice? You ask.

You will need to look at video No 1 onwards and to the wall charts clues (included) to see more of the choice...

Globalization Is Closing In

After researching, writing and speaking about globalization for almost 40 years now, I was alarmed when I discovered a few years ago that the endgame is **Technocracy - not Socialism, Communism, or Fascism**. The evidence of this is all around us but unless you can connect the dots correctly, you will never see the whole nefarious plan.

This is why I wrote

Technocracy Rising: The Trojan Horse of Global Transformation,
which will be available for purchase in a few weeks.

What is Technocracy? It started as a movement in the early 1930s, and quickly died out by the end of WWII, but not before its engineer architects created a detailed plan for creating an alternative economic system that would fully replace capitalism. Technocracy would be based on *energy accounting* instead of price-based supply and demand accounting.

Scientists and engineers would run this new economy according to the Scientific Method in order to create a perfect balance between man and nature.

We see the wide footprint of Technocracy today in things like Sustainable Development, Agenda 21, Green Economy, Cap & Trade, Carbon Credits, Climate Change, Smart Grid, Total Surveillance Society, Smart Growth, Federal land grabs, etc. It's all tied together to the same root, and it has collectively been brought to us as the "New International Economic Order" proposed by the Trilateral Commission in 1973.

The main purpose of August Forecast & Review is to provide a review of pertinent history and a forecast of future events based on current trends. It has taken 40 years of persistent planning and manipulation by members of the Trilateral Commission to bring the United States to the sorry condition that we find it in today. They have already converted China and Europe into the early stages of Technocracy. The United States is the only nation on earth that stands in their way of total domination.

Do you wonder why Obama is tearing apart the fabric of our nation?

Do you wonder why he is so zealous to use Executive Orders to "legalize" illegal immigration and climate change initiatives? Hint: it's because he is a puppet in the hands of Trilateral Commission members who surround him. Technocracy is their agenda and Obama is going to give it to them.

So, here is my Forecast:

given its current trajectory, America will completely succumb to Technocracy within 5 years unless Americans figure out a way to reject it. There will be no going back. It will deliver America into a Scientific Dictatorship that is diametrically opposed to all that our Republic and Constitution stand for: no personal or private property rights, no middle class, no freedom of speech, no unalienable rights, no ability to accumulate wealth and no privacy.

The place to start will be for you to read and digest my forthcoming book,

Technocracy Rising: The Trojan Horse of Global Transformation.

Testimonials

Michael Coffman, PhD, author, lecturer, environmental scientist

*In studying the records of the global elite, insider historian Carroll Quigley found that the elite intended that "the expert...replace the democratic voter in control of the political [and economic] system" by the twenty-first century. It would be done through endless planning by scientifically trained government bureaucrats and private sector "experts." Called Technocracy, it was originally rejected by Americans in the 1930s, but has been quietly rebuilt into the mammoth regulatory behemoth that is now ready for prime time. Patrick Wood has done a masterful job in tracing Technocracy's history, how it works to create totalitarian control and why it must be stopped. *Technocracy Rising: The Trojan Horse of Global Transformation* is a seminal book in exposing the very dark side of how an oppressive world government is systematically being constructed before our eyes with very few Americans being aware of it.*

Carl Teichrib, editor of Forcing Change

Patrick Wood has uncovered and unpacked the rise of a little understood movement, one that, by its nature, demands a dramatic engineering of society. By carefully scraping through the layers, Pat has revealed the heartbeat of technocracy, and has given us a 'crash course' on its relevant history, its role in shaping our modern era, and how it seeks to construct tomorrow. The timing and importance of this book cannot be overstated.

The Endgame of Technocracy

Posted by Patrick Wood 561.40sc on February 24, 2015 ..When I was a young financial analyst in 1978, I met Antony Sutton at a gold conference in New Orleans. It took us about 30 minutes of discussion to realize that the Trilateral Commission was in process of hijacking the entire Administration of newly elected president, James Earl Carter.

Founded by David Rockefeller and Zbigniew Brzezinski, the Commission openly and repeatedly stated that it wanted to create a "New International Economic Order."

Neither Sutton nor I picked up on the thought that the big hijack was not really a political coup, but rather an economic one. It's just that they needed the help of the Executive Branch of our government to pull it off.

As a result, they have maintained a hammerlock hold on the entire trade and economic policy machine that has driven the world into a seemingly broken international system of finance and economic development. Broken is an understatement: Perhaps "spiralling out of control" is a better description. But, there is another side to the story that is much darker, presenting a clear and present danger to our Republic.

That is, Technocracy.

It is plainly evident today, with 40 years of historical examination behind it, that the "New International Economic Order" was really "new" and envisioned historic Technocracy as replacing Capitalism altogether. **Technocracy was based on energy rather than money and its system of supply and demand that regulates pricing.**

Some distinctives of Technocracy include:

- Elimination of private property and wealth accumulation
- Replacing traditional education with workforce training
- Micromanaging all energy distribution and consumption
- Driving people to live in a limited number of cities and off of rural land
- Enforcing a balance between nature's resources and man's consumption of them.

Are you thinking that this list is vaguely familiar? You should because it represents the modern manifestation of programs like Agenda 21, Sustainable Development, Smart Growth, Smart Grid, Cap And Trade, Climate Change, Common Core, massive surveillance operations and a whole lot more.

All of this has been brought to us by the machinations of the Trilateral Commission and its members since 1973, and it is all part of its master plan to completely replace capitalism with Technocracy.

This is their "New International Economic Order"!

What does Smart Grid have to do with Common Core? They are both elements of Technocracy. What does Sustainable Development have in common with Smart Growth? Technocracy. Climate change and total surveillance?You guessed it !!! It is all part of the same economic coup started in 1973 and if left unchallenged, it is going to deliver us straight into a Scientific Dictatorship from which we will not be able to recover.

If I am even remotely correct in my analysis, then we had better figure out who the real enemy of the American Republic is. **Ignorance is not the enemy; Ignorance merely hides the enemy and his agenda, but it can be quickly remedied with sufficient illumination and knowledge. Politicians are not the enemy, whether liberal or conservative.**

Technocrats hate politicians because they are incapable of running a technological society, but they use politicians whenever it can advance their agenda. The government itself is not the enemy, but technocrats control certain parts of the machinery of government in order to implement their Technocracy agenda. In fact, the enemy is Technocracy.

Technocrats are human, embedded, entrenched, single-minded, amoral, highly trained, hardened, with unlimited funding. They are master strategists, master propagandists, fully networked and maintain a constant cover-up of their actions.

They have worked their way into the fabric of our society from the highest levels of the Executive Branch down to the lowest levels of local government.

The Endgame of Technocracy... (Cont.)

The hard-core technocrats in government have virtually neutered every elected body in our nation, from Congress down to state legislatures. Even when Congress passes legislation that gives direct marching orders to Obama and his Administration, they are simply ignored.

When Obama wants his own action without going through Congress, he simply creates Executive Orders, Memorandums or Signing Statements.

To be fair to Obama, he is not a technocrat, but only a puppet thereof. All of the Technocracy puppet-masters are lurking and executing behind the scenes.

Take Trilateral Commission member John Podesta for instance. Podesta is Senior Policy Advisor to Obama for Climate Change. In the 1990s under Clinton, Podesta invented and perfected the policy of ruling by Executive Orders, and now he is coaching Obama.

Just before he took this position last year, Podesta had just finished up working with a high-level climate-change planning group at the United Nations that called for global reforms and renewed initiatives.

Even the New York Times acknowledges,

"the architect of Mr. Obama's climate change plan is none other than his senior counsellor, John D. Podesta."

The same NYT article also quoted Speaker of the House John Boehner as saying, "This announcement is yet another sign that the president intends to double-down on his job-crushing policies no matter how devastating the impact for America's heartland and the country as a whole."

All complaining and whining aside, Congress remains completely impotent to stop or even slow either Podesta or his protégé Obama.

This is how Technocracy works: In the name of (false) science, they tell you what to do and you do it. Please be clear on this – people like John Podesta are not socialists, Marxists, communists or fascists.

**They are Technocrats who are bent on imposing Technocracy that will ultimately destroy capitalism
And install themselves as the unelected and unaccountable leaders of
the
*New International Economic Order.***

It's a Scientific Dictatorship. Perhaps you can understand why I sub-titled my newest book, **Technocracy Rising**, as "The Trojan Horse of Global Transformation." **That's what it is.**

People all over the world are rushing to climb aboard this "green" horse but the product being delivered is pure destruction.

They are being played like fiddles in a symphony orchestra.

They are collectively being deceived into thinking that Utopia is straight ahead – but instead of Utopia, they are going to get dictatorship.

Indeed, it's time for a national discussion on Technocracy.

The technocrats who are bent on transforming America must be identified, challenged and stopped.

Maybe that's what you want. Not me. However, understand that we will not uproot Technocracy as long as we think we are fighting communists, socialists, Marxists and Fascists.

That's the wrong enemy, and while you might knock them all into oblivion, the technocrats will quietly move toward their goal of transforming the world into a Technocracy.

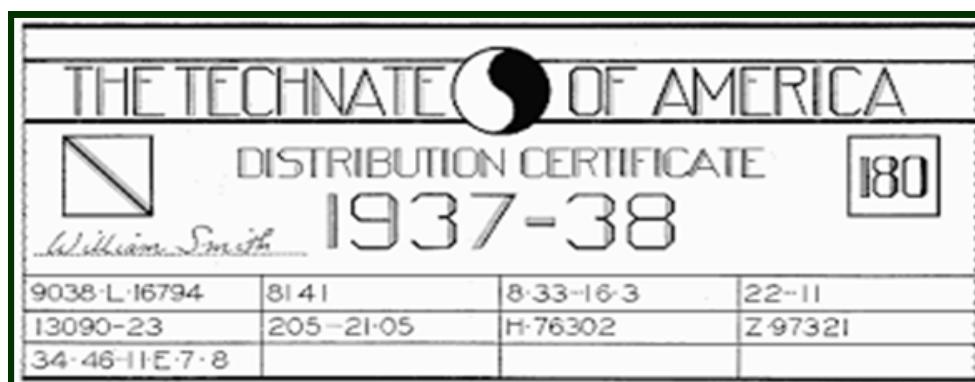

Your Money Won't Help You

By Patrick Wood

12 March 2015

THE COMING DARK HORSE OF THE NEW WORLD ORDER IS NOT COMMUNISM, OR SOCIALISM, OR FASCISM. IT IS “TECHNOCRACY”.

(THOSE “ISMS” ARE THE TOOLS TECHNOCRATS USES TO COLLECTIVIZE AND CONTROL US.)

One of the main tenets of Technocracy is the abolition of private property.

This has always been the case, even from the 1930s when Technocracy was first conceived as a coherent economic system run by scientists and engineers.

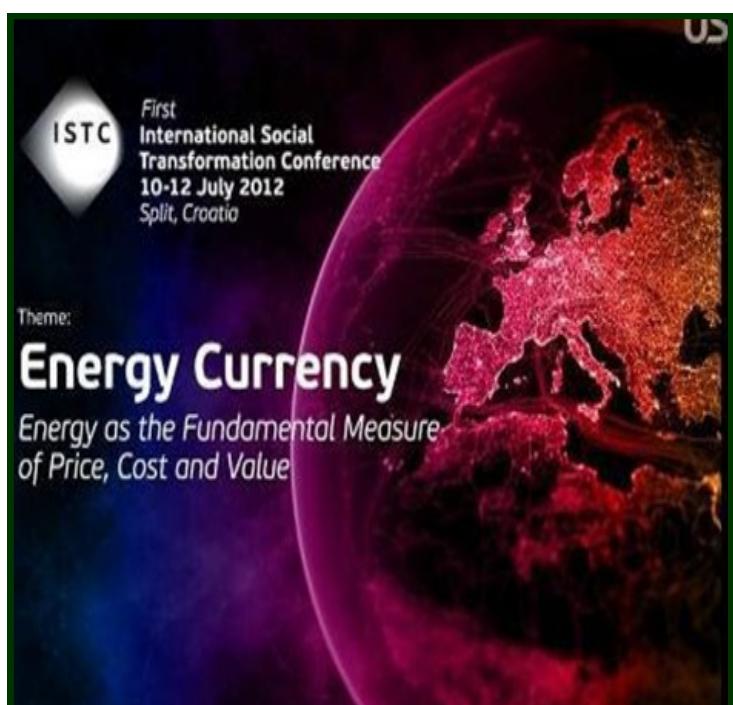

The early Technocrats wanted to scrap money altogether and substitute "Energy Certificates" instead.

The Technocracy Study Course (1934, Scott & Hubbert) clearly delineated the requirement:

"Under a technological administration of abundance there is only one efficient method - that of employing a system of Energy Certificates. By this system all books and records pertaining to consumption are kept by the Distribution Sequence of the social mechanism.

The income is granted to the public in the form of Energy Certificates.

These certificates are merely pieces of paper containing certain printed matter. They are issued individually to every adult of the entire population." (p. 288)
[Emphasis added]

At the end of the allocation period, all Energy Certificates would expire and the citizen would receive a new allocation for the next period.

Thus, there was no provision for saving wealth from period to period. Since the ownership of private property had already eradicated, there was no way to accumulate anything.

They expected you to just live hand-to-mouth at their sole discretion.

Your children would fare no better.

Since you could not accumulate wealth, you would have nothing to leave as inheritance.

R.I.P Capitalism and Free Enterprise. - Crazy or Not, Here We Come

This snaps the mind of most people. It's too fantastical and radical. It couldn't happen here. Oh really?

Then process this:

The [International Social Transformation Conference](#) held in 2012 in Croatia that specifically focused on "**Energy Currency: Energy as the Fundamental Measure of Price, Cost and Value.**"

Insignificant, you say? The press release stated that "The event featured about 80 prominent economists, scientists and scholars from around the world," including the World Academy of Art & Sciences.

At the end of the conference, participants pledged to use their resources to petition the European Union and the United Nations to adopt an Energy Currency.

The United Nations, with its Agenda 21 and Sustainable Development initiatives, is well ahead of the curve on Technocracy.

Your Money Won't Help You (cont)

*"This is the **first time in the history of mankind** that we are setting ourselves the task of Intentionally, within a defined period of time **to change the economic development model** that has been reigning for at least 150 years, since the industrial revolution... That will not happen overnight and it will not happen at a single conference on climate change. It is a process, because of the depth of the transformation."*

[Emphasis added]

Figueres is the Executive Secretary of the U.N. Framework Convention on Climate Change, and is the undisputed global driver for implementing climate-change policies and Sustainable Development

'This is the first time that the United Nations has plainly stated that their goal is to destroy Capitalism and Free Enterprise. What will replace it? The economic machinery of Technocracy with Energy Currency as the lubricant for the gears.'

If you have trouble reasoning this through, you are not alone, but if you get nothing else out of this, make it this:

The scientific dictatorship of Technocracy will destroy 100% of your wealth and remove all means of recovering it in the future. America and the World can, and must Reject Technocracy.

Technocracy may conquer the rest of the world, but it is not a foregone conclusion that America must succumb - but that is up to Americans like you and I. If we do nothing, we will lose everything.

If we do something (to reject Technocracy), we may lose everything in the short run but at least we will have the means to regain our losses in the future.

The fact that citizens will not let go of their hard-earned money to fight Technocracy only tells me that they still don't believe what is clearly stated above. This is really sad, and I hope it changes soon.

The fact of the matter is, your money can only help you now, while you still have some left. It will certainly not help you in the future if Technocracy wins and takes it all away.

The same goes for your time and activism.

Your activism is worth something today, but there will be no protesting if Technocracy reigns.

Conclusion

This is my country as much as it is yours. We are under attack by an heretofore unknown and unseen enemy that cannot be destroyed unless all corners of our nation come together to fight.

What? Do you think the Tea Party alone can destroy Technocracy? Or the John Birch Society? Or Republicans? Or Libertarians? or Democrats?

No, we need all Americans in this fight, and we need lay down arms against each other for the sake of winning the greater war that threatens us all.

The book,

Technocracy Rising: The Trojan Horse of Global Transformation, is the lightning rod that can energize our generation to take action.

It is the only book in publication that identifies the threat as well as the enemy. If you have read this article to the end and understood the implications but have not yet read *Technocracy Rising*, do it now. Failure to learn and alleviate ignorance will be not be viable excuses for where we are headed.

Kali Tribune commented 2 days ago ·

In the "Declaration of the 1st International Social Transformation Conference – 12 July 2012, Split" they say that primary function of currency is "accounting".

Does this mean that energy based currency would require institutional control of private households expenditure of energy?

BACON'S SECRET SOCIETY IS SET UP IN AMERICA

Men bound by a secret oath to labour in the cause of world democracy decided that in the American colonies they would plant the roots of a new way of life. Brotherhoods were established to meet secretly, and they quietly and industriously conditioned America to its destiny for leadership in a free world. ...

Benjamin Franklin exercised an enormous psychological influence in Colonial politics as the appointed spokesman of the unknown philosophers; he did not make laws, but his words became law.

THE OBJECTIVE OF THE SECRET SOCIETY

One reference to a secret society in Bacon's *New Atlantis* is scarcely less than a proclamation of the Society of Unknown philosophers, **but has gone unnoticed for three hundred years. ...**

This fable is of the land of Bensalem, meaning the Son of Peace, which with its merchandise, the Light of Truth, maintained a trade with Atlantis, **which was declared to be the same as America. ...** Every thing indicates that it was Sir Francis Bacon's dream that the enlarging of the bounds of human empire should be instituted on our own continent, an area peculiarly **set aside by Nature for the perfection of philosophy and the sciences.....(TECHNOCRACY)**

THE END OF THE QUEST

In America shall be erected a shrine to Universal Truth, as here arises the global democratic Commonwealth--the true wealth of all mankind, which is designed in the foundation that men shall abide together in peace and shall devote their energies to the common cause of discovery. ...

The power of man lies in his dreams, his visions, and his ideals. This has been the common vision of man's necessity in the secret empire of the Brotherhood of the Quest, consecrated to fulfilling the destiny for which we in America were brought into being. Religion, science, and philosophy are the three parts of essential learning.

A government based upon one or even two of these parts must ultimately degenerate into a tyranny, either of men or opinion. **These three realize the unity of knowledge; they are the orders of the Quest PHILOSOPHY** teaches that the completion of the great work of **social regeneration** must be accomplished not in society but in man himself. The democratic commonwealth can never be legislated into existence. Nor can it result from formal treaties or conferences. This is clearly indicated in the tragedy of the League of Nations. The League failed to prevent war because the nations which composed the League lacked the courage of high conviction; they failed the very institution which they themselves had established.

Permanent progress results from education, and not from legislation.

The true purpose of education is to inform the mind in basic truths **concerning conduct** and the **consequences** of conduct.

Education is not merely the fitting of the individual for the problems of economic survival. This is only the lesser part of learning.

The greater part deals with the intangibles of right motivation and right use. No human being who is moved to action through wrong motivations, or misuses the privileges of his times, **can be regarded as educated**, regardless of the amount of formal schooling he has received.

The human mind is established in knowledge not alone by the reading of books or the study of arts and sciences, but by the examples set up by leaders and the personal experiences of living. According to the Baconian system, there are three sources of learning.

The first is tradition, which may be derived from books.

The second is observation, by which we learn from the actions of each other.

And the third is by experimentation, which is a study of causes and consequences brought about by personal conduct.

The supreme human purpose is the perfection of man. This must come first, and when this end has been achieved all good things will inevitably follow.

Only enlightened men can sustain enlightened leadership; only the wise can recognize and reward wisdom.

In a democratic way of life the very survival of the State depends upon the intelligent cooperation of its people. Where men make their own laws, they must live according to the merits and demerits of the statutes which they have framed.

The Greek law giver, Solon, declared that in the ideal State laws are few and simple, because they have been derived from certainties. **In the corrupt State, laws are many and confused**, because they have been derived from uncertainties. These corrupt laws are like the web of a spider which catches small insects but permits the stronger creatures to break through and escape.

Where there are many laws there is much lawlessness, and men come to despise and ridicule the restraints that are imposed upon freedom of action.

Corrupt laws, resulting from efforts to amend inadequate legislation by further inadequate legislation, reveal **a general ignorance of right and wrong**. Where such ignorance exists the ideal function of democracy is impossible, and liberty degenerates into license.

The half-truth is the most dangerous form of lie, because it can be defended in part by incontestable logic. Wherever the body of learning is broken up, the **fragments become partial truths**. **We live in a day of partial truths;** and until we remedy the condition we must suffer the inevitable consequences of division.

According to the Ancients, **religion, philosophy, and science are the three parts of essential learning.** Not one of these parts is capable if separated from the rest, of assuring the security of the human state. A government based upon one or even two of these parts must ultimately degenerate into a tyranny, either of men or of opinion.

Religion is the spiritual part of learning(?), **philosophy the mental part (?)**, and **the sciences, including the arts and crafts, the physical part(?)**. As man himself has a spiritual, mental, and physical nature, and all of these natures manifest in his daily living, **he must become equally informed in all the parts of his nature if he is to be self-governing**. "Unbalanced forces perish in the void," declared a prophet of old; and this is true beyond possibility of dispute.

The Platonic commonwealth had as its true foundation the unity of learning.

In the midst of the philosophic empire stands the school of the three-fold truth. Religion is the quest of truth by means of the mystical powers latent in the consciousness of man(?). **Philosophy is the quest for truth by the extension of the intellectual powers toward the substance of reality(?)**. **Science is the quest for truth by the study of the anatomy and the physiology of the body of truth, as it is revealed in the material creation(?)**.

These three, then, are the orders of the Quest. Together they can bring about **the perfection of man(?) through the discovery of the Plan for man**

One of the great secrets of antiquity was this realization of the unity of knowledge and **the identity of the Quest in all the branches of learning. The great philosophers of the past were truly great because they approached the problem of life as priest-philosopher-scientist.**

The title "The Wise" is properly applied only to those in whose consciousness the unity of knowledge has been established as the pattern of the Quest.

It was part of the ancient plan that has descended to us to build again the ideal university--the college of the six days work.

Here would be taught the same arts and sciences that we teach today, but from a different basic premise.

Here men would learn that the sciences are as sacred as the theologies, and the philosophies are as practical as the crafts and trades.

Those mystical extra-sensory perceptions viewed with suspicion by the materialist would then be developed according to the disciplines of the sciences, and all learning would be consecrated to the supreme end that men become as the gods, knowing good and evil.

This university is the beginning of democratic empire. No longer would it be a secret school--the House of the Unknown Philosophers.

It would emerge from the clouds which have **concealed it from the profane for thousands of years** and take its rightful place as the **centre and fountain-head of the Ever Living Good.**

When humanity wilfully ignores the Universal laws which govern its destiny, **Nature has devious ways of pressing home its lessons.** Civilization after civilization has been built up by human courage and destroyed by human ignorance. We stand again on the threshold of a great decision. Once more the workings of time have revealed the weaknesses of our social structure.

Once more, we have come to a day of reckoning.

In the post war world one of two courses lies before us. **Either we will make the old mistakes again, and try to force our own concepts upon the Universe; or we will gather our strength for one heroic effort to put things right.**

If we make the old mistakes we will be rewarded by the old pain. But if we make the new effort, we can set up imperishable footings and bestow as a heritage the beginnings of a better way of life.

According to our choice the results will be inevitable, **for Nature will never change her ways. Let us consider her ways and be wise.** Centuries ago, one of the secret masters of the Quest wrote: "The Eternal Good reveals its will and pleasure through the body of Nature and the motions of Universal Law. Within the body of Nature and Law there is a soul which must be discovered by great thoughtfulness. And within that soul of Nature and Law there is a spirit which must be sought with great understanding; for verily I say unto you, my brothers, **that it is this spirit concealed from the profane but revealed to the thoughtful, which giveth life.**"

This, then, is the design of our foundations: that men shall abide together in peace and shall devote their energies to the common cause of discovery.

Man is greater than the animal, not in strength of body, nor in shrewdness, nor in the power of his senses, nor even in skill and patience; man is superior because he contains within himself the faculties and powers by which he can perceive his true place in a **divine order of life.**

His power lies in his dreams, his visions, and his ideals. If these intangibles are left uncultivated, man is at best but a superior kind of beast, subject to all the ills and vicissitudes of an unenlightened creation.

But, as man has locked within him, hidden from the public gaze, this diviner part, so it is true that human society has within itself concealed from our common view a nobler part composed of the idealists and dreamers of all ages and of all races who have been bound together by their common vision of man's necessity. This is the secret empire of the poets, this is the order of the Unknown Philosophers, this is the Brotherhood of the Quest.

And never will these dreamers cease their silent working until that dream is perfected in our daily life. They are resolved that the Word which was made flesh shall become the Word made Soul(?).

The great University of the Six Days Work must be built here in our Western world, **to become a guide unto the nations.** About this shrine to Universal Truth shall rise the democratic Commonwealth - the wealth of all mankind.

Everything indicates that it was Bacon's dream that the college of the six days should be erected in America, an area peculiarly set aside by Nature for the perfection of philosophy and the sciences.

Part of this dream has been realized.

In this land are the greatest laboratories, observatories, and institutions of research that the world has ever known. We are exploring into the mysteries of the atoms and the electrons, and have brought the heavenly fire, electricity, to be the servant of our purposes.

All that remains is to crown science with philosophy. (A Totalitarian Technocracy) As we perfect the inner part of learning the philosophic empire will arise in human society Medicines of all kinds were distilled and compounded, and mechanical arts were perfected **according to the laws of Nature. (Pantheistic Pharmakea will deceive the Nations)**

There were houses where the senses of man were studied with the aid of perfumes, flavours, sounds, music, and extraordinary acoustical devices.

And there were houses where only deceits were on record, so that the methods by which men can be deceived could be made known and studied.

In the philosophical city all men were employed according to their tastes and ability, and each contributed in his own way to the sum of useful knowledge. There were museums where rare and excellent inventions were preserved, and galleries containing **the statues of great men who had contributed to the improvement of the human race.**

Among the statues was one to Christopher Columbus; another to the man who had invented bread.

This is the destiny for which we were brought into being. The plan, which was devised in secrecy long ago, and in far places, shall be fulfilled openly ... as the greatest wonder born out of time. The American Empire becomes The N W O !

I have highlighted and questioned (?) sentences to easier read the intent behind the lines.....

The " QUEST " IS REAL AND ALMOST REALISED IN IT'S FULLNESS AND "UBIQUE", LOGO OF THE COUNCIL ON FOREIGN RELATIONS [KEEPERS OF THE PLAN OF A NEW INTERNATIONAL ORDER,] ... THE IRON MOUNTAIN REPORT

The introduction of this Report shows some interesting observations this group came up with during their 2 1/2 year study.

If there came a "condition of world peace" (paragraph three) it would change the social structures of all the nations of the world. There is nothing that has happened to compare with the change that would occur in such an instance.

They point out that there would be consequences to peace. Not just the economy, but every other aspect of life would be touched also.

It would touch the "political, sociological, cultural, and ecological" aspects. The reason they included these aspects in their study is that the world (at that time) was totally unprepared to cover all the demands that would come in these areas in such a situation of peace. They conclude that at the end of the report they give their recommendations for what they believe to be a "practical and necessary course of action."

(paragraph six)

These 15 experts set you straight in the first section that they are doing to be totally objective in their study.

(Section one, paragraph five)

They made a "continuously self-conscious effort" to keep the values of "good" and "bad".

They admit that it wasn't easy, but as far as they could tell, it had never been done before.

The previous studies for peace had taken certain things into consideration: "...the importance of human life, the superiority of democratic institutions, the greatest 'good' for the greatest number, the 'dignity' of the individual, the desirability of maximum healthier and longevity,...."

These experts did not.

Instead they attempted to "....apply the standards of physical science...." and go on to quote Whitehead who said, "**...ignores all judgments of value; for instance, all aesthetics and moral judgments.**"

In other words,

people the idea of human rights, and the value of human life are not at all taken into consideration in the putting together of the Report. They took their assignment, and decided how they could take care of all the problems without considering the people involved. In this report, as you will see, human beings are being brought down to the level of herds of animals.

Section four is interesting. (**War and Peace as Social Systems**). They point out that wars are not "caused" because of international conflicts of interest. (paragraph seven). They further comment that "...war-making, active or contemplated, is a matter of life and death on the greatest scale subject to social control..."

In paragraph six of this same section, they comment that the "threats" against the "national interest" are created or accelerated to "meet the changing needs of the war system".

This will be in more detail in the next section, where they discuss the **"Functions of War"**.

(Section five) for each section, along with their "Substitutes for the Functions of War (Section six).

We will include both the "functions" and the "substitutes" under each heading.

SUMMARY AND CONCLUSIONS

Since war is not a "political issue" but used as a means of control, if an "era of peace" were to come, there would have to be drastic changes.

Section Seven gives the "bottom line".

War has provided a dependable system to maintain economies.

Any substitute would have to be able to take the place of what war does to maintain economies. There would have to be a way to take care of the "waste" war does that will permit it to be independent of the normal supply and demand economy. It must be subject to "arbitrary political control".

(paragraph three-Substitutes for Functions of War: Criteria)

In the political aspect, war has been the foundation for a stable government. Political authority is accepted. War has made it able "to maintain necessary class distinctions". It also ensures the "subordination of the citizen to the state" though the concept of nationhood.

(paragraph three, functions of war)

The substitute for war must make it so an external menace would require people to accept the political authority.

The **sociological function** has been able to **control dangerous social dissidence** and destructive tendencies.

It has been able to motivate human behaviour with social allegiance.

To replace this, a credible omnipresent and understood fear of personal destruction must be generated. **This fear must be big enough to transcend the value of an individual human to the greater good of the whole.**

The ecological function has been used to maintain a balance between gross human population and the supplies available for its survival. The substitute must insure the survival of the species. (**man**)

THE IRON MOUNTAIN REPORT (cont.) (Page 2)

SUBSTITUTES FOR THE FUNCTIONS OF WAR: MODELS

Here are a few examples these "experts" came up with in order to replace some of the functions of war.

The economic function can be replaced with an in depth social-welfare program.

This program can be directed towards the improvement of the conditions of human life.

An unreachable space research program is another option.

Disarmament inspection system with variants of such a system.

The political function can be a **omnipresent (virtually omnipotent) international police force. There should be an established and recognized extraterrestrial menace. They recommend massive global and environmental pollution. They even suggest fictitious alternate enemies.**

The sociological function (they call the Control function) can be programs derived from using the Peace Corps as a model. **Slavery in a modern, sophisticated form is another option.** A motivational function **to get control can be intensified environmental pollution.** Also, making new religious or other mythologies.

Socially oriented blood games is another option.

Since war isn't choosey on who dies, the ecological function can be a comprehensive program of applied eugenics.

(Plain English: breeding superior races)

I am going to end the summary of this report here. Yes, there is much more in the report, but I believe you get the gist of it. I am going on to bring this report into what is happening today.

ARE THE RECOMMENDATIONS BEING FOLLOWED?

This report was concluded in 1966. President Kennedy was shot before he could explain what he was talking about at Columbia University. Johnson ordered this Report to be sealed.

The "experts" recommended that no one, except those who needed to know, be exposed to the contents of this report. **One man**, to whom the American people owe a debt of gratitude, **thought we had a right to know.**

Let's take a look at what has been going on in America in the past 30 years. Are we being manipulated and conditioned to accept a New World Order from an outline of 15 experts? (Because of lack of space, I will be summarizing. I encourage people to further investigate any examples given to verify.)

THE HERD

I found it very interesting that these "experts" took all moral issues out of their evaluations. Man was brought down to the level of animals, like a herd of cattle that needed to have decided what was best for the greater good of the herd.

Who would have to be **slaughtered** and **who** could be used to **increase the herd? What could be done to get rid of the excess members of the herd?** What about the **potentially "criminal" cattle** who would not go with what the owners decided would be best?

This Report made us to be pawns that have been used to benefit the elite. Great study and care was taken as what to do to re-condition these pawns to a whole different type of thinking.

These pawns who have been conditioned so long to think one way.

Though the types of things I will be discussing are happening all over the world, I will be mainly talking about America. **There couldn't be a New World Order if America didn't fall first.**

POPULATION CONTROL

Since the legalizing of abortion, over twenty years ago, there have been over 36 million Americans murdered before they could be born. That is more Americans than have died in all the conflicts America has been involved with all put together.

American's have been conditioned to believe that this is not "murder" but is "choice".

For Desert Storm, our soldiers had to have shots to "protect them against chemical warfare".

These shots were the germs of botchulism and anthrax.

Since then over 7000 of our best service men have died. see: [The Resnick Interview with Peter Kawaja](#)

Euthanasia and the "right to die with dignity" are being pushed so the "quality of life" can be improved. Extermination camps are being built to do away with "undesirables". Aids is a government made disease and the spread of it is encouraged by our government.

THE IRON MOUNTAIN REPORT (cont.)

(Page 3)

GLOBAL PEACE KEEPERS**The United Nations (UN) has a military that goes around the world as "peace keepers".**

The members of the UN forces come from all countries.

These "peace keepers" are also stationed in the United States in the closed bases throughout the country.

They are also in some of the bases that are opened.

Foreign tanks and vehicles are coming to America and secretly being painted white (UN colour) in various military installations around the country.

The US is disarming their military and closing down military bases all over the country.

Our president can sign an executive order that will put the military under the command of the UN. US soldiers are already having to put aside their oath and take the oath of the UN forces.Racism is being pushed over the media and though the government. **Should riots develop, as in other countries, we will need a "peace keeping" force in the US. They are ready.****NEW RELIGIONS? BLOOD SACRIFICES?****The New Age will be the only acceptable religion of the NWO.****It is everything against Christianity and has infiltrated every area of our lives. Satanism and other Occult religions are already having ritual human sacrifices.****EXTRATERRESTRIAL ENEMY?**

When this was written, over 30 years ago they acknowledged that this would be hard to convince the people of. Even with the UFO sightings that had already been put out.

What has happened in the past 30 years? Well, there have been "alien abductions", and many more UFO sightings. To top it off, there are UFO clubs where people who have "seen aliens" or "been abducted" can get together for conventions.

To top that off, we have had over 25 years of Star Trek, which has enforced a one world government. Throughout both series and the movies they have the "New Age" philosophy. (New Age will be the only philosophy accepted by the NWO) These folks have all kinds of experience with various races on other planets.

see: [Dirty Watchtower Secrets.](#) // [Like Father Like Son: George W. Bush and the Fake Alien Invasion](#)

Star Wars has also conditioned people to believe in a "galaxy far far away". These reinforce extra terrestrial life on other planets. The two movies, "V" and "V the Final Battle" and then the series shows and invasion from another planet. The movie "Alien" shows this also. The world would have to unite, should the "movies and television programs" come to life with a "real" enemy.

see: ["War of the Worlds" Mind Control Experiment - New World Order Test Run](#)**ENVIRONMENT****There is no scientific evidence available to prove all the environmental problems our government is trying to push on us.**There is no such problem as "global warming" for example. But, people such as Vice President Gore and "NWO Lieutenant" Rockefeller are coming out with books that if we don't unite as a world, to work on the environmental problems, we will not survive. (Fictitious Enemy?) see:[Global Warming's Dirty New Secret](#) // [Global Warming Claims Based on False Data](#)**MORE FICTITIOUS ENEMIES**It is interesting that the media, with the help of the government, is coming up with all these "potentially dangerous" groups of people? **These extremist groups, such as Christians, Militia members, talk show hosts, right wing radicals, conservatives etc., are being mentioned regularly as "potential terrorists". Between this and the racism the government is pushing, it will make it easy for them to call a police state, and round up all the people who disagree with them. Those considered to be "enemies of the state".**See: ["Project Megiddo"](#)

THE IRON MOUNTAIN REPORT (cont.) (Page 4)

SLAVE LABOR

Anyone on welfare is already a slave to the government.

They are working on legislation where these people will have to work for their benefits.

After 1996, (around May) these benefits will not come in the form of cash or food stamps.

There will be a debit card.

This will stop "welfare fraud" and **give the government more control over it's welfare slaves.**

There are also several labour camps built, ready to activated.

These labour camps will be for strong prisoners who are considered "dissidents".

GENETIC EXPERIMENTS

These experiments are already done on aborted babies. Thanks to a bill signed into law by Pres. Clinton to support foetal experiments.

What many folks don't know about are the bio-spheres being built in the mountains.

(The two I know about are, in Washington state and North Carolina.)

No one can have access to these places now as they are surrounded by guards.

Bio-sphere is the UN term for Colony.

It is rumoured that these "colonies" are being used for breeding of the "superior race".

There are also concentration camps built that have "storage facilities" for human organs. These camps will be used for genetic experiments.

IN CLOSING

I would like to comment that in all the reports this author has done, and all the information I have read, Iron Mountain has had the biggest impact on me.

The fact that a few men can come up with a plan to bring a "once free nation" into fascism upsets me.

The fact that many of their suggestions are being followed makes me angry.

The fact the majority of the American people don't know, and don't want to know is very unbelievable to me.

I'm sure our founding fathers are "spinning in their graves" as they watch us give up what they fought and died for without a fight.

NOW IS THE TIME FOR ALL GOOD MEN TO COME TO THE AID OF THEIR COUNTRY!

From the editor of Wisdom and Freedom:

The Iron Mountain report was originally published by Dell.

It is extremely hard to find now.

In the early 90s a sequel was published. The author of this book took full credit for the first book and claimed that it was a hoax.

The only problem with this "hoax" is that everything in the original book has worked out to be true.

So whether the original title is a hoax or not is irrelevant.

The original book is a blueprint for the present and the future.

Brief on World System Computer Model

A Computer Program Predicted When Civilization would Collapse in 1972. And We're Right on Track.

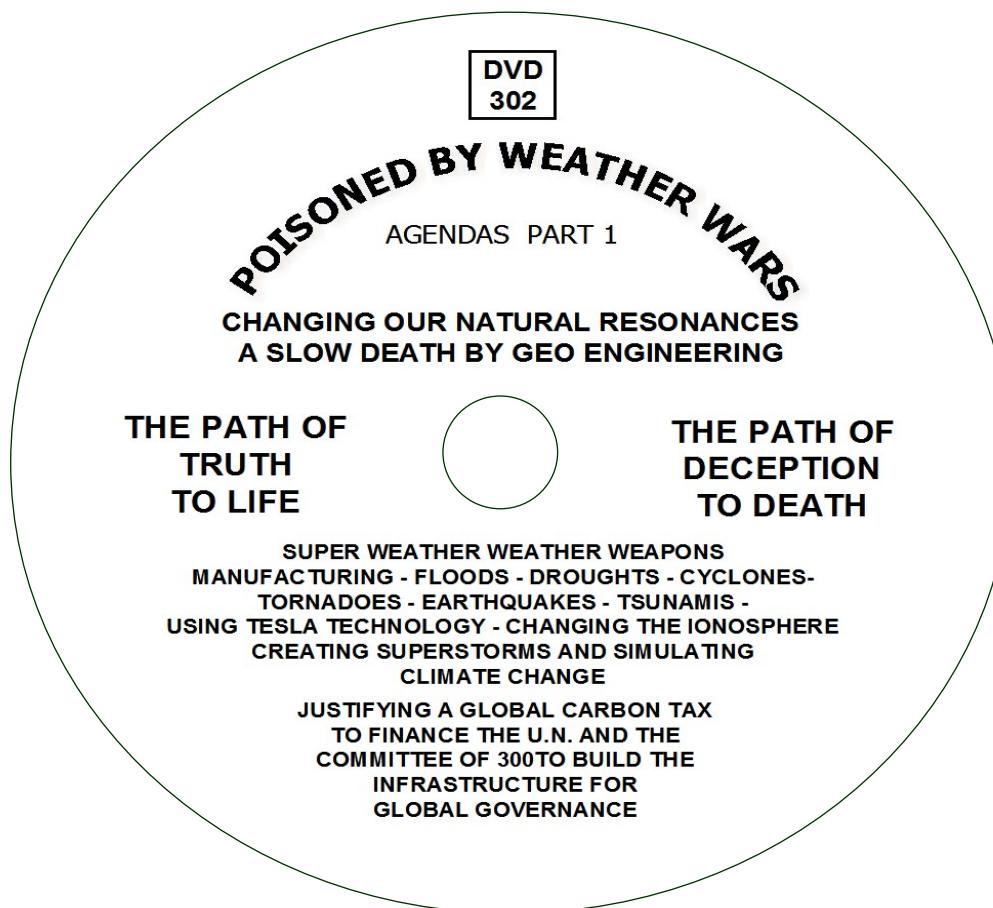

Funky Freya • Sunday, August 11, 2019 at 5:15 PM

Back in 1972, researchers at MIT developed World1, a computer program to model

Sustainability for the world.

It predicted that modern civilization was likely to collapse by 2040.

The Club of Rome, an organization comprising scientists, government officials and industrial figures, commissioned the program to find out how well the world could sustain the rate of growth based on what information they had at the time. The model used pollution levels, population growth, quality of life, and the availability of natural resources among other variables to calculate the fate of civilization. Sadly, World1's model seems to be spot-on.

WHAT IF I TOLD YOU..?

What if I told you,
Jesus came to abolish religion,
 What if I told you,
Voting for The Conservatives, wasn't really His mission,
 What if I told you,
Conservative doesn't necessarily mean Christian,
And just because you call some people blind,
Doesn't automatically give you vision,

If religion is so great,
 how come it has been used as an excuse to start so many wars?
 Why does it build such huge churches, yet fails to feed the poor?
 Tell single mum's that God doesn't love them if they've had a divorce,
 but in the Old Testament, God actually calls religious people whores.

Religion might preach Grace, but another thing they practice,
 tending to ridicule God's people, they did it to John the Baptist.
 They can't fix their problems, so they just mask it.
 not realising that religion is like spraying perfume on a casket.

The problem with religion is it never gets to the core,
 it's just behaviour modification, like a long list of chores.
 Let's dress up the outside, make it look nice and neat,
 But it's funny, that's what they used to do to mummies,
 (while - the corpse rots underneath.)

Now I'm not judging, I'm just saying, stop putting on a false look,
 'cause there's a problem, if people only know you as a Christian,
 by your Facebook

In every other aspect of life, you know that logic's unworthy,
 it's like saying you play for the Broncos, ...Because you bought a Jersey.
 This was me too, but no one seemed to be onto me,
 acting like a church kid, while addicted to pornography.

On Sunday I'd go to church, while on Saturday getting faded,
 acting as if I was simply created, to just get laid, and get wasted.
 I spent my whole life building this facade of neatness,
 but now I know Jesus, I boast in my weakness.

Because, if Grace is water, then the Church should be an ocean,
 it's not a museum for good people, it's a hospital for the broken.
 Which means I don't have to hide my failure, I don't have to hide my sin,
because it doesn't depend on me, it depends on Him.

WHAT IF I TOLD YOU..? (cont.)

**When I was God's enemy, and certainly not a fan,
He looked down and said: " I WANT THAT MAN !!! "
Which is why Jesus hated religion, and for it he called them fools,
don't you see it's better than just following some rules.**

Let me clarify :

I love the Church, I love the Bible, and yes, I believe in Sin,
but, if Jesus came to your church, would you actually let him in ?
Remember, he was called a glutton and a drunkard by religious men,
God never supports self-righteousness, not now, not then.

Back to the point.....One thing is vital to me,
How Jesus and religion are on opposite spectrums.
One's the work of God, the other is a man made invention.
One is the cure..... the other is the infection.

**Because religion says do, where Jesus says DONE!!!
Religion says slave, where Jesus says Son.
Religion puts you in bondage, where Jesus sets you free!!!
Religion makes you blind, where Jesus makes you see !**

And that's why Jesus and Religion are two different clans,

Religion is man's search for God, Christianity is God's search for man.
Which is why Salvation is freely mine, and forgiveness is my own,
Not based on my merits, but on the obedience of Jesus, alone.

Because He took that crown of thorns, the blood dripped down his face,
He took what **we** all deserved, I guess that's why it's called Grace.

**And while being murdered He yelled:
"Father forgive them for they know not what they do."
Because when He was dangling on that Cross,
He was thinking of YOU!!!**

**He absorbed your Sin and buried it in the Tomb,
Which is saying, kneeling at the Cross, come on—there's room.**

As for religion, no, I hate it,.....in fact I literally resent it.

Because, when Jesus said :
" IT IS FINISHED !!! "
I believe **HE MEANT IT!!!**

IT'S NOT ABOUT RELIGION...IT'S ABOUT THE TRUTH & THE SPIRIT

AND YE SHALL KNOW THE TRUTH.
AND THE TRUTH WILL MAKE YOU FREE. John 8 :32
(If the Son therefore shall make you free,
ye shall be free indeed. John 8 :36)

This is NOT a religious compilation.

This IS, however about the TRUTH and the CHOICES we make
when confronted with **The Truth and The Lie**, and the
consequences of those moments of choice for us. These accrue over time and into Eternity.

To most, religion fills their spiritual vacuum. It is used as a way to find a truth that fits their world view, be believed, and to serve that truth, and be judged by what they do.

It is a way of 'legalising' their spirituality. (Re-Ligo—I relate to the Law.)

It demands a long list of behavioural 'do's and don'ts'.

It is a conditioning control system designed to gain control of the direction of our souls...to usurp our Individual Spiritual Authority, and to manage that 'Spirituality'.

God expects your attitude to determine your behaviour.

(The means justifies the end)

Religion demands that your behaviour determines your attitude.

(The end justifies the means),

and you can put murder through that perception system and make it right.

In fact, religion is a "sophistication matrix" to fill our unrequited need for spirituality. —(The vacuum within)

If we are " made free through " knowing the truth ", What does this mean,
" set free from what "....???

It means that we are set free from being judged by the Law.

So , if we are made free, (under a perception of Grace), why then do we again need to subject this spiritual freedom to the meritocracy of religion.

(Re-ligo : I relate to the law.)

Religion has been an Enslavement device for millennia.

It is not of GOD!!.....It is from the Dark Side... It is a "Plato's Cave"

This "cave" allegory aptly applies to Religion, describing persons chained to benches inside a cave, watching "shadows on the wall", believing them to be reality. While the shadow images are created from behind by manipulators.

(worth a look, Google you tube.." Plato's cave allegory).

(The image based culture was created by The State Religion legitimized by Constantine in 300 A.D.)

The allegory can also define the effects of our modern "Caves" with their digital technology,
it's television, it's social media (communion by technology).

Both modern technologies and religions are used as mind manipulation and control devices.

These days, even the evolutionists, devoid of scientific proof, are forced to faux spiritualise (**religion - ize**) their dogmatic assertions.

They then affirm through blind belief.

(rather than proof, using empirical science....) negating the need for proof.

**The " COLLECTIVISED " - WE
is NOT a more evolved form of the " INDIVIDUAL " - I**

Both world religions and the state generated "social engineering" use collectivisation to "ecumenicalize" the faith and the cultures, with the modern end game being to create a **"One World Religion and a One World government"**

The modern mantra is "you've gotta give one for the **Team**", and political correctness enforces the "**Team**" mentality, effectively freezing out Individual Choices and Aspirations.

**There is no " I " in "Team". However, there is an " EYE" in " Supervisor "....
(and Big Brother is Watching and Supervising all the time).**

For Centuries, The Planetary Elite Power Brokers have used the ploy of "collectivization" to absorb the "individual" into manageable groups.

With our modern technocracy, applying this social engineering; fusing with science and technology, these techniques have been used very successfully to "farm" human beings and their productivity.

To ensure this "collectivization", we also have been duplicated by a counterfeiting process, to be corporately cloned as a **" LEGAL FICTION "**.

Yes, we all have a **"STRAWMAN"**, with whom the corporate legal world can "contract".

(It is not legal for the corporate world to create contracts with a **" living human breathing soul."**)
CORPORATE MEANS CORPSE—ORATION = ("DEAD SPEAK")

So they give us a legal "persona" (called a "Person") and register our birth certificate with the UCC in Washington on the stock exchange as a stock certificate...

We're each worth millions, but our individual wealth has been sucked out of us by a counterfeit stealth matrix. - (CORPORATE GOVERNMENTS ACTING AS OUR TRUSTEES)

A purposely necessary part of the process of centralising the banking system

(central or Reserve Banks) was to create a registered (Birth Certificate) group of "Tax Payers" to repay the loans and interest that the central banks would charge for the privilege of selling governments Fiat Currency **backed by nothing**. They printed currency out of thin air.

(WITHOUT THIS FIAT CURRENCY WE WOULD NOT PAY TAXES)

(the most monstrous crime of counterfeiting ever committed against the wealth of the world - This process created a world of Wage and Tax Slaves.)

**Our registered birth certificates are now used by them as Human Capital
(Human Resource—commodity).**

They are used to collateralize "loans" to Governments..

We are traded as a resource to create the new "Debt Slavery".

(IT ONLY BEGAN IN THE EARLY 1900S)

The Perfect way to Collectivise us as a society, at the same time limiting our choices to the status quo.

If all the nations are in debt, who is the Creditor...? Could it be the Central Banking Systems of the world?

Each nation can ACTUALLY print it's own money without debt or interest.

Australia did so in the early 1900s through the creation of the original Commonwealth Bank which financed many civil projects debt free, it even underwrote the Australian effort in world war 1 debt free. It used the assets of the nation as collateral and each loan increased the asset wealth of the Australian people.

This bank was Modified (Castrated) in about 1930 and is now one of the "Big Robber Banks".

So, it's very simple: to get rid of National Debt and Interest and Deficits, get rid of the Central Banks and start printing our own currency Debt Free.

(Cont. Over)

**The " COLLECTIVISED " - WE is not a more evolved form of
the " INDIVIDUAL " - I (P 2)**

(Cont)...There would no longer be any justification for Income Tax, and

we could move back to the protections of Common Law . - (do no harm)

The Law of the Sea (Commercial Law) which has hijacked the legal system with the aid of the "straw man", could then be re-subjected again to our "Common Law "

(God's moral Law), once more. Statute Law (man's law based on ethics [good or bad]) (which only has the power of law if consented to.)... Silence to the law assumes consent.

If you don't make the connection between these preceding banking and taxation facts to "Collectivisation" then check out a couple of the prime planks of the "Communist Manifesto".

Aside from planning the abolition of private property, it also plans the introduction of a **central banking system**, and the need for a progressive income tax...

And who will deny that communism is a Political Ideological System using Collectivism to herd and hold hostage Individual Human beings en masse.

So, is the observable **Collectivization** of our world a symptom of our **Communication** , particularly of the western world ?

Many are waking up that Obama was placed in power to Communize America and the Western World.

Communism is an atheist Philo-sophy, and it is only natural that **they would want to De-Individualise their human resources into Collectives** through pragmatic control and management systems.

The casualties are the Authentics, namely TRUTH and SIGNIFICANT CHOICE .

What we are witnessing in this massive enslavement of humanity is the application of "Outcomes –Based " Management systems where

THE END JUSTIFIES THE MEANS.....

(Morality is replaced with Ethics which are situational and changeable)....

Social Conscience replaces Individual Conscience policed by a dehumanizing political correctness.

It's the system that is used to herd individuals into "teams" which operate on security primary herd consciousness (no individual rights or freedoms).

Individual freedoms in the west ideally allow the use of Individual Conscience to self-manage our attitudes and behaviour and this is guided by morality,

(God's Common Law - The Conscience he writes into each individual's heart) and individual responsibility, and this demands that :

THE MEANS MUST JUSTIFY THE ENDS...

MORALITY IS AN ABSOLUTE AND UNCHANGEING STANDARD WRITTEN INTO OUR HEARTS, A SELF CONTROL DEVICE, MAINTAINING STANDARDS AND INDIVIDUAL FREEDOMS....DESIGNED BY OUR CREATOR - GIVING INDIVIDALS **THE FREEDOMS TO CHOOSE AN INDIVIDUAL DESTINY.**

ETHICS ARE RELATIVELY CHANGEABLE, DEVISED IN THE MINDS OF MEN TO ALLOW FOR CHANGES IN STANDARDS... A "CORPORATE CONSTRUCT"- " A SOCIAL CONSCIENCE CONTROL MECHANISM" ... THAT HISTORICALLY LEADS TO THE CHAOS " MOB RULE". **OLIGARCHS** THEN END UP **ENGINEERING THE SOCIAL FATE OF THE HERD CALLED MANKIND.**

The Individual is the "Nemesis" of the State, and so the State has a vested interest in becoming the Parent by collectivizing it's Human Resources.

Whereas Family is the nursery of the individual, nurturing souls to adulthood, mentoring their emotional, intellectual and spiritual development, laying the foundations for significant aspirations in their character.

These attributes make for a free spirited individual, with a conscience (do no harm) and a real potential to reach it's individual authentic destiny.

This is Anathema to the Elite Collectivists;

(The individual must be brought to heel, and the family dis-empowered, by institutions like The Family Law Court, dis-empowering your individual conscience, (cont Over)

The "COLLECTIVISED" - WE is not a more evolved form of the "INDIVIDUAL" - I (P 3)

(INDIVIDUAL CONSCIENCE - VERSUS - SOCIAL CONSCIENCE
—WE NEED A COMMUNION OF INDIVIDUAL SOULS SERVING GOD —
NOT COLLECTIVISM SERVING THE STATE)

(Cont) ...as written into your DNA by your Creator, which is your own landline to God.)

For some it is a local call, it's free to those who subscribe to the 'Royal Telco.' However, for the religious and the unbelievers, it is a long distance call routed through many operators and their switchboards; Making it very difficult to connect back to Source.

The 'Social Conscience' is an alternative 'Ethical' Construct to that of "Morality."

It is a soft option for those who try to deny their own DNA encodings, placed in their heart by God..

That law that God wrote into their own individual heart....

(those things all people know we should do, but usually don't.)

Their rebellious spirit decides that ... **Ignore — ance** ... is the best way to abdicate their responsibility for spiritual choices, and deny their individual authentic truth.

Social conscience is bound by consensus which blindsides any thing on which many sides of the social argument **cannot agree** .

It focuses on all the things the collective (Social) conscience **can agree on**.

Here, by Social intent, the Truth becomes the casualty.

(A bit like the consensus process being applied to the Global Warming non debate.)

This technique, which Sanctions any empirical science basis, eliminating any real science, closes off any debate.

(The end game is decided before the debate begins.)

If you are found out in your "consensus scientism deception" just change the name to "Climate Change".

It effectively replaces **Morality**, an absolute code, (fixed and reliable,) with

Ethics, employing situational and relative guidelines, which can be changed at any time to suit the social environment, and makes for an uncertain longer term.

It subverts individuality wherever it is found.

(Political correctness is one of its more powerful dominance weapons . It becomes a vicariously cruel taskmaster demanding group obedience.)

The dark side of social conscience is becoming very evident with the new social 'media religion'. It's lack of moral judgement and the consequences of this new way of virtual social relationships, is creating ... **"A Ship of Fools."**

It has connected Gen Z to the virtual world at the cost of their disconnection from the real world.

Timothy Leary once coined the phrase " tune in, turn on and drop out..

It has become the unconscious mantra of Gen Z..

Assimilation is demanded.

The Borg Mind overshadows Individual Mind.

The Social Conscience actually enslaves and is an addictive soft option.

Whereas;

The Individual Conscience sets the individual free to make authentic discriminative and righteous Life Path choices.

JESUS SUMMED UP SOCIAL CONSCIENCE VERY SUCCINCTLY :

"LOVE THY NEIGHBOUR AS THYSELF."

(No need for lemmings then !)

SOPHISTICATION OF LIFE PATH CHOICES

**Will we become Masters of our Individual Destiny,
or
Victims of the Fate awaiting a slumbering Society.**

Many of us discover, as we become more conscious, that life has become a quest to become famous or wealthy, to seek out a god or try to become one.

For most of us, it evolves into a pilgrimage leading to either a Heaven or a Hell, depending on the quality of choices made along the way.

We start unconsciously, at birth, and our chosen path takes us on a journey filled with many experiences and moments of choices.

We progress through lessons of Instinct awareness, Emotion and Intellect, finally bringing us the opportunity for mature conscious awareness in Perception.

Some awaken spiritually at this time, and some don't.
(Epiphany is the prize for those who real-ize this awakening opportunity)

The choices made along the way are consummated at our moment of death.

**By journey's end, we have either:
found our way back home, and reconnecting with our creator;
Or,
We are lost in a sea of hellish consequences;
FOR ETERNITY**

**A Grand Deception is being prepared for Humanity
by the Master Counterfeiter. - A great Delusion**

In recent decades our life path choices have been SOPHIST-ICATED, by a mind-numbing array of options and distractions.

The current consensus of the meaning of the word SOPHIST-ICATED, is to be cool—smart—modern—sensational—attractive—desirable etc.

The original true meaning, however was the opposite. To use a **FALSE FRONT** by subterfuge, to gain an advantage. Sophistication creates **COUNTERFEITS** to deceive, to distract from the truth and to mystify.

(So the VERY WORD Sophist-icate itself, has even been Sophist-icated, and has gradually had its meaning TOTALLY changed.....Cui Prodest. ...to whose benefit?)

To SOPHIST-ICATE choice options in any situation really means to use the art of Falsification, through Deception for an advantage.
It used to mean **FRAUD**. This is well described as the art of SOPHIST-RY.

A SOPHIST-ICATED person used to mean, someone to be avoided, as he/she was seen as wearing a **FALSE** front, to gain attention or an advantage.

To clarify the context and intended meaning of words like this, used here,
We must look at the meaning of the root of the word : (Cont. Over)

SOPHISTRY— CRAFTING THE COUNTERFEIT

Sophistry has been well and truly busy throughout history, **counterfeiting the truth** to deceive even 'The Elect' - if it were possible.

The root word here is "**SOPHIST**", deriving originally from "Sophia" the "oracle" in Greek Mythology.

A look at the Funk and Wagnell Dictionary describes a "**SOPHIST**" as, one who argues ...**Cleverly**, unnecessarily **Minutely**, but **Fallaciously**.....

So a **SOPHIST** is a lie crafter, and **SOPHISTRY** is his tool of trade— his **Profession of Falsity**.

TO **SOPHIST-ICATE** then, is to **Make False or to Counterfeit** the **TRUTH**.

SOPHIST

is the root of many other words such as:

PHILO-SOPHIST: A Lover (**PHILO**) of the **lie** (-**SOPHIST**).

PHILO-SOPHY: A false (**SOPHIST-ICATED**) belief, based on a **Lie** (**SOPHY**)

e.g. **THEO-SOPHY** : is the **Lie** (**SOPHY**) about **GOD** (**THEO**)

THEO-SOPHIST:

one who Falsifies (**SOPHIST**) the truth about **GOD** (**THEO**). (**Makes one wonder what the SOPH-OMORE YEARS in American education are really about.**)

Is it when the student's morality is hazed with PHILO-SOPHY and deceiving enchantments of thought?

On the other hand,

LOGOS is the Greek for **THE WORD, THE TRUTH, JESUS**.

In the beginning was **THE WORD**, and **THE WORD** was **GOD** , and the word was with **GOD**..

John 1: 1

It is the root component of words like **PHILO-LOGIST**...A lover (**PHILO**) of the word (**LOGOS**)

THEO-LOGIST :

THEO-LOGY then, is the **TRUTH** (**LOGOS**) about **GOD** (**THEO**)

A Theologian then studies and tells the **Truth** (**LOGOS**) about **GOD** (**THEO**)

So if you are looking for the **TRUTH** about **GOD**,
and **Choices based on TRUTH**;

would you rather use a **PHILO-SOPHY** or a **THEO-LOGY** ?
(CAN YOU HANDLE THE TRUTH ?)
In your life path choices.

**One path uses DECEPTION, serving Counterfeits of the DARK SIDE
(The Path of Death)**

**The other path uses THE TRUTH serving the Logos—THE LIGHT
(The Path of Life)**

MYSTIFICATION

To Sophist-icate is to MYSTIFY, to cloak the reality in an cloud of MYSTERY.

To make it appear to be something that it is not.....

For the logical (LOGOS) person to understand these crafted mysteries, the demand for an interpreter, a manager to intervene is created, so that sense can be made of the Sophistry.

Absolute Truth has been diluted and manipulated through Relativism and the Dialectic Processes.
(These can turn truth into lies, & lies into truth).

Our Life Path Choices have been exponentially multiplied.

We have been SEDUCED into a bewildering array of semantics and artificial distractions.

This has confused us both spiritually and intellectually, and stunted our abilities to use our divine gifts of free will and choice with God reliant discernment.

Our present counterfeit world is hiding The Truth from us.

It has dimmed our view of reality, and made us easy targets for spiritual deception and manipulation.

This Sophist-ication of choice appeals to our Dark Side, and our Pride and sense of Self Worth, in turn makes us susceptible to embracing even more Sophist-ication.

These social/spiritual techniques and mechanisms allow for Mass mind-manipulation and people control on a worldwide scale.

Rather than the many choices presented to us by the dark side of political correctness and positivism,

the simple logical truth of the matter is that
there are only
2 CHOICES

—THE LIE - OR - THE TRUTH — (the dark or the light.)

In a world full of Universal DECEIT it is a revolutionary act to tell the TRUTH
- George Orwell

CHOICE 1

THE LIE : contains a plethora of deceptive choices created to seduce and confuse the initiates .
It is the False light of the Dark Side of your Soul, found in the Tree of Good and Evil,
(requiring you to become illuminated).

It is a Spiritual Path that is the way of Death.
SEALING your FATE

The way of Hermes, the guide of the soul on its' pathway to Hell.

CHOICE 2

THE TRUTH : Connects your authentic individual physical and spiritual DNA To your sourceyour Creator...

It is the Spiritual Path that is the way of Life
FULFILLING your DESTINY.

This is the True Light, The Path of Life, found in the Tree of Life .

Here all true Healing of Body, Soul and Spirit Begins.
The Way of Truth, The guide of the soul on its' pathway to Father's House.

THE SOPHIST-ICATION of our CULT-URE

If **Sophistication** creates **Counterfeits** and **Mystifies**.

Can we see any evidence of this process of subterfuge having been applied to our Culture?

Mystification of MONEY is called "FINANCE"

Mystification of COMMON LAW is called "STATUTE LAW"

Mystification of EDUCATION is called "ENTERTAINMENT"

Mystification of EMPIRICAL CRITICAL THINKING is called "DISCRIMINATION"

Mystification of NATIONAL IDENTITY is called "RACIAL DISCRIMINATION"

Mystification of CARING FOR NATURE is called "SUSTAINABLE DEVELOPMENT"

Mystification of LOCAL DUTIES is "GLOBAL RESPONSIBILITY(ACT LOCALLY, THINK GLOBALLY)"

Mystification of INDIVIDUALITY is called "INDEPENDENT IDENTITY"

Mystification of MORALITY is called "ETHICS"

Mystification of STATESMAN is called "POLITICIAN"

Mystification of PEACE OFFICER is called "CORPORATE POLICY ENFORCEMENT OFFICER"

Mystification of AN EMPLOYEE is called "A HUMAN RESOURCE"

Mystification of MY RIGHTS is called " A LEGAL FICTION PERSON"

Mystification of POLITICAL REPRESENTATION is called "SOCIO-ECONOMIC MANAGEMENT"

Mystification of HEALING is called "MEDICAL RISK PHARMACEUTICAL INTERVENTION-TREATMENT"

Mystification of THE TRUTH is called " PHILOSOPHY"

Mystification of SPIRITUALITY is called "RELIGION"

Mystification of Woman is called a "GODDESS"

Mystification of Man is called a "HERO"

So, if our Truth and Spirituality have been mystified, how can we discern The Truth and The Spirit? Who is responsible for all this Mystification, Counterfeits and Lies.... The Father of Lies?... Lucifer? Is He trying to gain an advantage through his Sophist-ications ? He only wants your SOUL.

The answer is simple, we De-mystify by looking to the one who can discern Lies and Counterfeits.

If you want expert advice on a counterfeit currency you go to a Banker.

If you want expert advice on Counterfeit Spirits you go to source of all Truth.

Jesus Christ is the "**THE TRUTH, THE LIFE AND THE WAY; NO ONE COMES TO THE FATHER EXCEPT THROUGH HIM**"... He is qualified to expose the counterfeits and give you that discernment.... "When the Answers are Simple God is Answering". Albert Einstein.
The Word Of God is Simple Logical Truth.

In the world that lies just ahead of us, men will call the truth a lie and the lie a truth.

They will call evil good and good evil, be backbiters, haters of God, despitful, proud, boasters, inventors of evil things, disobedient to parents; etc. - King James Version (Authorized)

Relative Truths are designed to keep you confused and locked into this matrix of deception.

The only place that I have been able to find de-mystified Absolute Truth based on the absolutes of God, our Designer and Creator, is in His Authorised Book The King James Bible. (our Spiritual DNA explained .) Search the clues in all the accompanying charts videos and commentaries, then search the book of keys for affirmation of the observations and warnings found therein. Read Acts, John & Romans, then you may as well read the whole Book..

Its the true NEVER ENDING STORY of your life and your future

God is about to judge this evil Babylon Matrix... Come out of her while you still can !

Romans 10:9 | That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. (Future perfect tense: NOW AND FOREVER)

Many times people use the excuse that the King James authorized bible is too difficult to read because it uses old English.

In fact the KJV is written in Modern English as it was the creator of our modern dictionaries, and every word in the KJV is found in our Modern Websters dictionary.. KJV starts at grade 5 level of reading in Genesis and gradually elevates your reading skills to Grade 17 (university grade) level of reading, and has its own built-in Dictionary. Nothing compares with its poetry & Majesty.

My world view is Biblical, as it affirms The Truth, and I am no longer attracted by Philosophies, Deceptive Dialectics and Relative Truths.

After 40 odd years of investigation and researching, I have found them, at best, to be Distractions from "The Truth" and generally counterfeits and deceptive.

As for me and mine; We will serve The Lord Jesus Christ. (The Way, The Truth and The Life.) I acknowledge that I am an "Immortal" Soul residing in a "Mortal" body. I am aware of the symbiotic relationship that my Immortal Soul has with my Physical Body. I view this reality as a Dichotomy, rather than a Duality.

This allows me an objective awareness with clear sight and perspective, witnessing the surrounding dualities of this world . I pray always for discernment that I might understand God's Wisdom.

It gives me some degree of understanding of the sophisticated forces at work in this Present Prison Planet. The Word of God is Simple Logical Truth, He uses the simple to confound the wise.

Prayer changes Things.

THE PRISONER WITHIN

How do you free the Prisoner within ?
The one who's imprisoned by Adam's First Sin .

How do you fill that Vacuum inside ?
The Place for our Creator, kept out by your Pride .

The Senses we're born with, are our measuring Rods ,
Instead of our servants, we make them our Gods .
Our Path becomes scattered with old broken toys '
Sorrows are burdens, Success measures Joys .

We make for ourselves, a vacuum within ,
And desperately try to fill it with SIN .

.....
Spirit Imprisoned, with pride as its' cage,
Faith has departed and life turns to rage;

Mind Interned, in folly, a cell,
Discernment is lost, we see only hell;

Emotional Cages, with locks made of lies,
the prisoner inside, sees all that is loved dies;

Body Becomes the prisoner of things,
our higher deceits have all gathered in.

.....
Ashamed of within, you turn to withouts,
beginning to build your castle of doubts.

The dungeons below are dark, damp and small,
places where your spirit is stooped, forced to crawl.

These dungeons you build, as you walk all alone,
surrounded by others, yet still on your own.

These towers you build stand straight, proud and tall,
Higher and Higher you measure your Fall.

.....
How do you free the prisoner within?,
imprisoned by choice, held hostage by Sin ?

How do you fill that vacuum inside,
the one you'd call God, except for your Pride ?

.....
At cell doors he knocks, and patiently waits,
hoping you'll willingly move to the gate;

Will you stay deaf to his knock at your door,
and will your PRIDE ensure you stay a prisoner of Law;

Or will your FAITH, as an act of your will,
move you to let him cancel your Bill ;

Freed by His KEYS, in rushes Grace,
embraced by His LOVE, Peace and Joy fills that place ;

Only then can you fill that Vacuum Inside;
Inviting Salvation, Overcoming your Pride;
Only then can you free your Prisoner Within,
Free him at last from Adam's first Sin;

Jesus Christ is our Saviour.....God cannot Lie ;
Without His Great Sacrifice;ALL would have died !!!

.....
I am not ashamed of the Gospel of Jesus Christ.
Philosophize if you willBut The Truth..... It makes Good Sense

I am who I am Because God said I am
